

# MCC Blackboard Login Instructions for Faculty and Staff

## Intro to Cyber Security 2016 Course

1. Login to the myMCC website using your MCC username and password (Chrome browser is recommended.)

2. Click the "Tech" tab near the top.

3. Click "Blackboard Login" to log in to Blackboard.

4. Click on “My Courses” tab at the top of the Virtual Campus Blackboard screen.

The screenshot displays the Virtual Campus interface for Monroe Community College. At the top, there is a navigation bar with the college logo and name, and two tabs: "My Institution" and "My Courses". Below this is a section titled "Add Module". The main content area features a banner with yellow tulips and the college logo. On the left, a "My Organizations" panel lists several courses, with an arrow pointing to "901600-MON-MCC-CNS-200 Intro Cyber Security 2016 with Donna Pogroszewski". On the right, a "My Courses" panel is visible, and a central "Check List for Student Success" box contains two items: "1. Familiarize yourself with navigation in the Virtual Campus by completing the [Online Learning Student Orientation](#)" and "2. Learn where to locate help with the Virtual Campus and other MCC technology."

5. Under “My Organizations” click on the “Intro Cyber Security 2016.”

You can now begin the training.
