Register Now for 2008 CIT

Online registration is now available for the 2008 *Conference on Information Technology (CIT)* being held October 19-22 in Salt Lake City, Utah. The deadline for early registration and group discounts is September 19, 2008. September 19 is also the deadline for reserving rooms at the special conference room rate at the three conference hotels.

Innovations Call for Proposals

The League invites proposals to present at the *Innovations 2009* conference, March 15-18, 2009, at the Grand Sierra Resort in Reno-Tahoe, Nevada. The deadline for submitting proposals is September 19, 2008. Proposals are invited in the eight conference streams: Learning and Teaching; Leadership and Organization; Workforce Preparation and Development; Student Services and Activities; Basic Skills and Developmental Education; Resource Development and Foundation Management; Research, Assessment, and Accountability; and Diversity, Equity, and Inclusion.

League Alliance and Alliance Advantage Membership

When you become a League Alliance member, your institution's administration, faculty, and staff become part of the international community connected to the League's efforts. Just take the time to look at the League website and we think you will agree that joining the League is a valuable proposition. And, with League Alliance iAdvantage membership, your entire college gains access to iStream, the League's online repository holding all League publications, videostreamed keynote and special session presentations from League conferences, and numerous other resources.
