SUNY NY-Alert System

RU in the O2?

SUNY NY-Alert notifies you in the event of a campus emergency.

Now, you can know quickly if there's a fire, bomb threat, or other danger on campus—and take immediate action to protect your safety.

Choose how you want to be contacted.

Specify email, text messaging, landline and cell phone messages, paging, dial-out, voice messaging, and/or fax. The system works on campus and off.

Add your name to the queue today. It's easy, secure and free.

SUNY-NY Alert is available to all MCC students and employees.

Students:
- Go to www.monroecc.edu
- Click on Current Students
- Choose the Student Records icon
- Go to the Personal Information Tab.
- Use the link Emergency Alert Contact Information

Employees:
- Sign in to the Banner Web system with your user ID and password and follow the same steps above.

Each semester, the system will prompt you to re-enter your data.
You can also update your information any time by using the personal information tab.
