**II. SPEAK TO THE SENATE**

Evan Ling, from the Monroe Doctrine spoke to the Senate with concerns about WiFi access in the Residence Halls and with students smoking near the entrances. He asked whether these concerns are being addressed by the Senate.

President Gray indicated that there is a meeting with the Student Services and Campus Technology Coordinators, Dr. Salvador and Jeff Bartkovich on the 21<sup>st</sup> of the month to discuss the Wifi issues on campus and at the Residence Halls. Senator J. Snyder stated that he serves on the Personal Health and Safety Committee and the smoking policy is currently under review and should be completed by January.

Mr. Ryther recognized that these concerns are valid and suggested that Mr. Ling meet with Housing and Residence Life staff and not rely on Public Safety to be the sole monitor of the situation.

Mr. Ling observed that recently in the Residence Halls, there were Senator sit-ins with various clubs and wondered why there was a sudden interest and investigation of current clubs.

Speaker Blue explained that the Senate represents the specific interests of Student Life on campus. There are Senators that are specific to certain clubs and the Senate has always had a vested interest in clubs and organizations.

Advisor McCauley stated that the current Senators are taking more of an interest than in the past, and there is no investigation that he is aware of.

### III. REPORTS

#### A. Speaker

##### Speaker Blue...

Speaker Blue has been very busy traveling. On October 14<sup>th</sup>, he attended the annual Leadership Retreat at Camp Stella Maris. The Retreat brought together leadership students from both campuses and gave them a chance to bond and bridge our communication. Speaker Blue and President Gray look forward to collaborating with SEGA President Teresa Velazquez in the future. He believes the Retreat has brought the leaders of MCC closer, especially the SGA Leaders. Thanks to Rebecca Herzog and her True Colors survey, we understand our strengths and weaknesses. He just returned from the SUNY Student Assembly Conference on Sunday, so expect a detailed report on that experience soon. SUNY Student Assembly President, Kaitlyn Beachner has asked him to serve as her Parliamentarian for the remainder of her term. He is taking this under heavy consideration. Both the student body and President Beachner can expect an answer from him within the week.
