Military Mentoring Program

The MMP helps connect military students (service members, spouses, dependents and family members) with Monroe Community College, either electronically or via face-to-face mentoring by an experienced faculty/staff member who will serve as the student's primary point of contact throughout their academic experience at MCC. This allows military students to better negotiate a fully civilian/academic environment. In so doing, we hope to increase the student's completion, transferability and (ultimately) professional success.

Connect *with email!*

- you will be added to the MCC email list for the MMP
- MMP emails come several times a semester and serve as basic check-ins, some general announcements, and important reminders.
- simply send a message and request being added to the list: hwilliams@monroecc.edu

Connect *with Facebook!*

- **“like” the organization page**
 - this Facebook page is purely administrative
 - you'll find posts about events, celebrations and news articles from MCC, and higher education in general, relevant to military students
 - <https://www.facebook.com/militaryMentoringProgramAtMonroeCommunityCollege>
- **“friend” the personal page**
 - this Facebook page is more interactive and serves as a “virtual” Mentor
 - the MMP is able to respond to your posts and pictures, extend congratulations, share birthday greetings and respond to private Facebook messages
 - <https://www.facebook.com/mmp.mcc>

Connect *with an actual person!*

- you will be matched with a living, breathing Mentor who will serve as your “go to” person at MCC
- you and your Mentor will decide the most convenient way for you to interact (face-to-face, email, cell, etc.) and how often.
- they will serve as a general sounding board, “battle buddy”, coffee companion, and overall college coach.

How *do I request a MMP Mentor?*

Simply tell any of the following MCC faculty/staff member that you would like a MMP Mentor, and they will have you fill out the request form.

Prof. Heather Williams, MMP Facilitator

Michael Bates, Veterans Services Director

Prof. Eric Wheeler, Academy for Veterans Success Coordinator

Lori Bartkovich, Veterans Services Specialist
