

COVID-19 Pooled Testing For MCC Students, Faculty and Staff

Steps to Follow Prior to Testing

At Least 2 Days Before Your Test

- **Pre-register for your test:** Create a COVID-19 account via the SUNY Upstate Medical University website (<https://app.clarifi-covid-19.com/>) and complete your profile.
 - When asked for your “Student ID” or an institutional ID; please input your M number (example: M00001234). If you do not possess an M number you can use your State DMV number (driver’s license number) in lieu of an M number.
 - You do not have to enter your insurance information. When it asks if the patient has insurance, click no.
 - You do not have to give your social security number, enter 000000000 (nine ‘0’s) no dashes, no spaces.
 - Do not respond to the question, “Do you have a test kit?” You will complete this part of the registration process when you arrive at the MCC Pooled Testing Center on the Brighton Campus.
- If you do not have a smart phone or mobile device, staff will assist you at the pooled testing center.

One Hour Before Your Test

- Do not brush your teeth or use mouthwash.

30 Minutes Before Check-in at the MCC Pooled Testing Center

- Do not eat or drink anything, including chewing gum, mints or lozenges.
- Do not smoke, vape, or use smokeless tobacco products.

Before You Go to the Testing Center

Location: Warshof Conference Center, R. Thomas Flynn Campus Center Forum, Room 3-130, Brighton Campus.

- Bring your MCC ID.
- Bring your smart phone or mobile device so you can login to the SUNY Upstate website. If you do not have one, staff will assist you at the pooled testing center.

To prevent the risk of virus transmission through contact, do not lend your electronic devices to other individuals at the testing center.
