The vast majority of MCC graduates stay in and contribute to the success of our region.
WHO WE ARE | FALL 2021

MCC has opened doors of opportunity for over half a million students since 1962. Carrying on the vision of our founders 60 years ago and inspiring the way forward under the current leadership of MCC President Dr. DeAnna R. Burt-Nanna, MCC continues evolving to meet the ever-changing needs of our students and our community, including safely offering robust in-person and online/remote learning and services during the pandemic. MCC lives its vision as a champion of equity, opportunity, innovation and excellence while transforming students’ lives and local communities.

LEARNING PATHWAYS

MCC provides flexible, learning opportunities to help diverse learners at all stages of their academic and professional careers meet their educational goals.

**CAREER AND TECHNICAL EDUCATION:** Programs meet industry standards and provide hands-on learning in high-demand fields.

**COLLEGE TRANSFER:** MCC has 2+2 Transfer Pathways with 14 four-year institutions, including SUNY colleges, enabling graduates to transfer with junior standing.

**MCC CORPORATE COLLEGE:** Courses are delivered as both open-enrollment and custom-training, with credit and noncredit options.

**DUAL ENROLLMENT:** Credits count toward a high school diploma as well as an MCC certificate, degree or apprenticeship before high school graduation.

**CONTINUING EDUCATION:** Offerings include a diverse array of noncredit courses that lead toward a new career, professional development or personal enrichment.

**SUNY ONLINE:** MCC offers 52 degree and certificate programs completely and partially online.
Students in MCC’s fire protection technology degree program learn firefighting and rescue techniques using various high-tech simulators and props through scenario-based training at the Public Safety Training Facility. www.monroecc.edu/depts/pstc

In addition to gaining on-the-job experience, automotive technology students receive hands-on learning in laboratories that can house 28 training vehicles at MCC’s Applied Technologies Center. Two of the labs are dedicated to specialized training for careers as General Motors and Toyota technicians. www.monroecc.edu/depts/auto
STUDENT LIFE

INSPIRING THE WAY FORWARD

Opening in early 2022, the state-of-the-art Finger Lakes Workforce Development Center within MCC’s Downtown Campus will offer increased opportunities for diverse residents of the Finger Lakes region to access technology-oriented, industry-driven education and training for high-demand careers in a 21st-century economy. Fast-track programs will enable individuals of all ages to earn micro-credentials and progress toward an associate degree. fwd-center.com/

MCC is helping raise completion rates for single-mother learners by 30% by 2024. As one of the top online providers in the SUNY system, MCC responds to the needs of many student-parents who prefer online courses and remote access to services to better balance school and family/work responsibilities. MCC served more than 1,604 student-parents in fall 2021.
**ECONOMIC & WORKFORCE DEVELOPMENT**

Led by its Economic and Workforce Development Center’s efforts, MCC uses labor market intelligence to shape its educational and training programs and develop solutions to employers’ current and emerging workforce needs. The center’s reports provide data-driven analyses of local workforce dynamics. Find the reports online at [workforceforward.com/reports](http://workforceforward.com/reports).

Cited for its certified nurse assistant program as a model for career preparation, MCC is one of the top six U.S. community colleges offering quality non-degree workforce programs that lead to good-paying jobs and career paths. *(New America)*

MCC’s psychology associate degree and dental assisting rapid track certificate are among the nation’s best online programs. *(Intelligent.com)*

MCC is ranked among the top 20 community colleges in New York state for affordable, quality education. *(WalletHub)*

Graduates of MCC’s nursing, radiologic technology, surgical technology, dental hygiene and emergency medical services programs perform well above state and national averages on certification and licensure exams, achieving pass rates of 93.5% or higher in 2019-20.*

*Latest data available*
Through the Launch Your Business! program, aspiring entrepreneurs from all disciplines learn to start/grow a business and receive mentorship leading up to their final business pitch in competition for venture funding.
Angelica Perez-Delgado ’96
Ibero-American Action League

Through her work as Ibero-American Action League president and CEO, Angelica Perez-Delgado is all about opening doors for others. She came to MCC after dropping out of high school and having a child at 16. MCC offered an option that enabled her to earn a high school equivalency diploma and an associate degree. “The level of support was amazing. My professors kept me motivated at a very difficult time in my life.” She later received a bachelor’s degree in human services and a master’s in health administration. “MCC showed me that I could overcome anything. It set the tone for high expectations and big dreams.”

Angelica is among MCC alumni who have excelled professionally and made a positive impact on the community and the college. Meet other distinguished alumni at www.monroecc.edu/alumni-donors.
Over 735 students have completed the certified nurse assistant program since its launch in 2019, of which 95 percent have passed the state certification exam to work in the field.
