¹ Your Certificate of Residence must be submitted to MCC no later than 30 days after the semester starts. Even if you obtained it earlier, it must be *received* by MCC before the 30 day deadline to be valid.

² All COR applications for New York City must be brought in person, but not necessarily by the student. A friend or family member can bring all documentation in for you. Then the certificate can be faxed back or mailed in to MCC. They will not issue a new one until at least one year from the date the previous one was issued.

³ Orleans, Oswego, Suffolk, and Westchester County residents must obtain a new Certificate of Residence every fall semester, regardless of when you last submitted one. For example, if you last turned in a

certificate during the spring semester, you still need to submit a new one for the following fall semester even though it has not been one year.

⁴ Saratoga County certificates must be obtained no later than the start of classes.

⁵ Your notarized application can be submitted to your Town Hall instead of the Wayne County Treasurer's Office.

⁶ Cayuga County requires use of their own applications.

⁷ Please be aware that Madison County will NOT issue a certificate of residence if your social security number is not provided with your application.

⁸ Oswego County requires the use of their own application. Oswego County residents must obtain a new Certificate of Residence every fall semester.

⁹ Nassau County encourages students to [apply for their Certificates of Residence online](#). To apply manually, you must use the [Nassau County application](#).

¹⁰ Cortland County requests that students visit their website to find the [Cortland County application and instructions](#).

¹¹ Onondaga County encourages students to [apply for their Certificates of Residence online](#). If you have questions regarding your Onondaga County certificate of residence, please [email Onondaga County for more information](#).
