Mechanical Technology Students

Job Title
CAD Technician

Company
Accede Mold & Tool

About
Accede Mold & Tool, in Rochester, NY, is an international leader in the design and manufacture of plastic injection molds. We are actively seeking self-motivated Computer Aided Drafting and Design candidates. Candidates should have an excellent grasp of mechanical drafting principles as well as a creative approach to engineering new ideas and mechanisms for injection mold design.

Duties and Responsibilities

• Generate 2-D drawings from 3-D models to relay design intent to Manufacturing.
• Document and release work instructions to Manufacturing personnel.
• Generate design modifications/ Engineering changes to existing mold designs.
• Generate mold assembly/ disassembly/ maintenance manuals as required.

Key Competencies

• Must be detail oriented and meticulous.
• Must be well organized and productive.
• Must have strong computer and technical skills.
• Must maintain a clean, neat working environment.

Education / Experience / Attributes

• Computer Aided Design and Drafting Certificate, AAS degree in Mechanical Technology or equivalent combination of education and experience.
• Siemens NX Drafting/ Modelling experience a plus but not required.
• Excellent verbal and written communication skills.
• Ability to work in a team environment.

How to Apply
Please send your Resume, Cover Letter, and MCC M# to Joe Snowden at jsnowden4@monroecc.edu
