What does VMD have to offer? Starting pay is $15.90/hour with $25.61 in total compensation to include hourly wage, benefits, and retirement options. Benefits include paid training, medical, dental, vision, life insurance, short- and long-term disability, paid vacation, sick time, 10 holidays, flexible spending accounts, employee assistance programs, tuition reimbursement, 401k match.

Position

At VMD, you will have the opportunity utilize your great customer service and critical-thinking skills while ensuring the safety of the traveling public. As a TSO working alongside a team of aviation security professionals, you will be responsible for identifying dangerous objects in property and/or on passengers; and preventing those objects from being transported onto aircrafts. Additionally, the TSO will:

- Operate various screening equipment.
- Conduct passenger pat-downs and property searches; lifting/carrying up to 50 lb. bags and bins.
- Continuously and effectively interact with the public by giving directions and responding to inquiries providing the public with the highest levels of customer service and professionalism.
- Providing effective decision making in both crisis and routine situations; maintain focus and awareness within a stressful distracting environment.
- Experience Needed to be Successful. No prior security experience required; all required training is provided and compensated.
- Must possess excellent communication skills with proficiency in the English language.
- Ability to operate security equipment at screening checkpoints.
- Attention to detail, interpersonal skills with established reliable work values.
- Ability to successfully complete required classroom, on-the-job training, and certification exams.
- Able to work irregular hours and/or shifts including holidays and weekends.
- Ability to retain knowledge of Standard Operating Procedures and follow verbal/written instructions.
- Basic Qualifiers
  - Must be 18 years of age and a US Citizen
- Education Requirement: High School Diploma, GED or equivalent
- Can Additional Years of Experience Substitute for Degree? Yes. A minimum of one year of full-time work experience in security aviation screening or x-ray technician work

Minimum Clearance to Start

Ability to obtain a successful background investigation including criminal and credit checks. Credit checks that reveal anyone (1) of the following will result in ineligibility for this position:

- Defaulted on $7500 or more in debt (excluding certain circumstances of bankruptcy)
- Owe any delinquent federal or state taxes or any past due child support payments.
