About
Located in Phelps NY, Z-AXIS, Inc. provides quality design, prototyping and manufacturing services for complex electronic products and electromechanical assemblies. Z-AXIS is small enough so that every employee makes a difference, and growing fast enough to offer plenty of challenges and opportunities for advancement. We’re truly a place to grow!

Position
Seeking full-time Electronics Technician.

Duties & Responsibilities
• Troubleshoot and repair complex electronic circuit board assemblies during the manufacturing process.
• Must be able to read and understand schematics.
• Operate test equipment including oscilloscopes, signal generators, multi-meters, etc.

Education/Experience
• 3 months to 1 year minimum in electronics related position.
• Strong electrical aptitude.
• AAS in an Electronics discipline preferred.
• Ability to solder surface mount and through hole components, with IPC-610 and J-Standard experience a plus.
• US citizenship required.

At Z-AXIS, you will:
• Work on a variety of interesting and challenging electronic products.
• Spend your time designing and building – rather than sitting in meetings.
• Make a difference on teams that are small, focused and motivated.

We offer competitive wages and salaries and an outstanding benefits package including an exceptional medical plan with dental and vision coverage, life insurance, paid time off, 401(K), a company performance plan and tuition reimbursement. Z-AXIS values diversity and is an EOE/AA employer.

How to apply:
