About
Pinball Alley, In Henrietta, NY, is a full service pinball machine supplier providing; pinball restorations, arcade video games and game room furnishings. We specialize in the diagnostics and repair of pinball machines, jukeboxes, arcade games and other coin operated games/machines.

Position
We currently have an opening for a full-time Electro-Mechanical Technician. This position is responsible for testing, troubleshooting, installation, and documentation of PLC-based vacuum systems and material handling equipment as required.

Duties & Responsibilities
• Diagnose and troubleshoot pinball machines, jukeboxes, arcade games, and other coin operated games/machines.
• Electrical troubleshooting to the component level.
• Mechanical assembly troubleshooting.
• Assemble, align, and install system components as needed.
• Perform mechanical work including assembly.
• Other duties and needed or assigned.

Key Competencies
• Knowledge of control wiring components, drawings, and good electrical practices.
• Ability to read, interpret, and modify electrical schematics.
• Basic mechanical assembly skills.
• Works well as a member of a team or independently with minimal supervision.
• Must be reliable, with a commitment to high quality.

Education/Experience
• Must be familiar with pinball machines, jukeboxes, arcade games and other coin operated games/machines.
• Two (2) years of education and/or experience as a Technician preferred.
• Associates degree in Applied Integrated Technology or Mechatronics certificate, a plus.
• Ability to understand electrical & mechanical drawings.
