Admissions Office, 585-292-2200

University of Rochester Nursing Degree Options
Bachelor of Science in Nursing Degree - BS
3+1 with MCC Program
For students admitted into the MCC Nursing Program. Visit the Career and Transfer Center for details.

Accelerated Bachelor’s Program for Non-Nurses
Admission requirements include: Bachelor’s Degree in a non-nursing field, BIO 142 & 143, BIO 202, BIO 217, MTH 160, and PSY 212. This is a one calendar year program (with a January, May or September start) that includes the coursework and clinical of the final four semesters (junior and senior years) of a traditional BS program.

RN to BS Program
Admission requirements include: Completion of a Diploma or Associate Degree in Nursing from an accredited school of nursing, RN licensure within the United States or U.S. territory, two references, CGPA of 3.0 preferred, and resume. Students may transfer up to 64 arts and science credits, and are granted 32 nursing credits automatically upon admission. Program is primarily online with no clinical courses. “CLEP” courses accepted.

RN to BS to MS Program
Same admission requirements as RN to BS program with the addition of a statistics grade of C or above, a writing sample, and selection of an NP specialty. This program is designed for exceptionally strong students with significant health care experience.
Visit http://www.son.rochester.edu more details.

Keuka College
Bachelor of Science in Nursing for RNs
Earn your RN to BS degree through the Accelerated Studies for Adults Program (ASAP)
The program is designed for AAS degree RNs who have passed the state boards. Classes are held one night a week for approximately 18 months. Prerequisite courses are required. Contact: ASAP Admissions Counselor, Kyle Coute, 1-315-412-9945, kacute@keuka.edu
www.keuka.edu/asap

Please note: While every effort is made to ensure that the information provided in this brochure is accurate, it is your responsibility to contact the transfer institution for the most up-to-date information and program requirements. It is also recommended that students meet with a counselor at the Career and Transfer Center to discuss your plans.
The Bachelor of Science in Nursing programs listed on this page are for students enrolled in a non-nursing (i.e. Liberal Arts) curriculum at MCC. These programs have specific prerequisites that can be met by successfully completing the course equivalencies at MCC. The prerequisite courses listed are the MCC course equivalencies. The clinical part of the nursing major would be taken at the 4 year college. RN to BSN Degree Completion options are also listed for those students earning an AAS in nursing before transfer.

The College at Brockport (SUNY)  

The Bachelor of Science in Nursing (BSN)  

RN to BS Degree Program: A non-traditional program for working RNs is available. This is a one night per week program that runs for 15 months and is available to graduates that have passed the Boards and are working at least 20 hours a week as an RN. There are no tests and no clinicals and the program gives credit for life and work experience. This program is available in Rochester, Buffalo, Dansville, and Syracuse.

Contact: Laurie Allen, Nursing Department, 585-395-2355

Robert Wesleyan College  

Bachelor of Science in Nursing (BSN)  

RN to BSN Program: Complete your Bachelor’s degree with flexible scheduling in an accelerated format to accommodate your busy schedule. RN License required by the end of your first semester at SJFC. Seven-week modules that include nursing and liberal arts courses; Completion in as little as 12-18 months; MS Fast Track option; Books are included in tuition cost; 24/7 online tutoring support; RN License required by the end of your first semester at SJFC; Federal and State grant and loan programs available.

Contact: The Office of Transfer Admissions, 585-385-8172

Prerequisites for college transfer students:
- BIO 142 & 143
- BIO 144 & 145
- BIO 202
- MTH 160
- CHE 124, 145 or 151
- PSY 101
- PSY 212
- Minimum CGPA of 3.0

Note: if a student has BIO 142 & 143 & 202 completed, Nazareth will waive BIO 155.

Additional core curriculum courses (as per Nazareth) are recommended. Visit the MCC Career and Transfer Center for course recommendations.

Deadline dates:
- Applicants are encouraged to apply by March 1st for fall admission and October 1st for spring admission. Students are accepted for fall and spring semesters.

Contact: Lynne Van Zandt, Senior Assistant Director of Transfer Admissions, 585-389-2055

Prerequisites for college transfer students:
- BIO 142 & 143
- OR BIO 144 & 145
- BIO 202
- MTH 160
- CHE 124, 145 or 151
- PSY 101
- PSY 212
- Minimum CGPA of 3.0

Note: preference may be given to those who achieve a GPA of 3.0 or higher.

Students must complete all courses listed above with a grade of C- or higher.

Contact: Lynne Van Zandt, Senior Assistant Director of Transfer Admissions, 585-389-2055

ONLINE RN-to-BS in Nursing Program  

Students may complete the program on either a full-time or part-time basis. The sequence of courses and the length of time necessary for a RN to complete the degree requirements vary with the individual and depend on the number of transfer credits, credits by examination, and advanced standing credits he or she has earned, as well as on the number of credits for which the student registers each semester. Completion of the A.A.S. degree in nursing guarantees 60 hours in transfer credit to Nazareth’s RN to BS program.

Contact: Lynne Van Zandt, Senior Assistant Director of Transfer Admissions, 585-389-2055

Prerequisites for college transfer students:
- BIO 142 & 143
- OR BIO 144 & BIO 145
- (grade of C or higher)
- BIO 202 or 209
- CHE 124
- CHE 142
- MTH 160
- PSY 212
- MTH 160

Cumulative Grade Point Average of 2.4 or higher for all prerequisites listed above, on all attempts. Students must complete all courses listed above with a grade of C or higher.

Upon acceptance to the College, students must apply to the Wegmans School of Nursing for admission to the junior clinical year by March 1 for fall admission and September 1 for spring admission.

Applicants must meet the minimum requirements below to be considered for entry into the junior clinical year:
- CGPA of 2.5 in Nursing Courses (subject to change)
- CGPA of 2.5 in Science Courses (subject to change)
- Cumulative GPA of 2.4 or higher for all prerequisites listed above, on all attempts.
- Score 84% or higher on the Math Assessment Level A exam (to be taken at St. John Fisher).
- Grade below “C” cannot be accepted toward completion of prerequisite courses.
- Students are accepted for both fall and spring semesters contingent on prior coursework.
