

# ASLC

## Program Development & Review Protocol

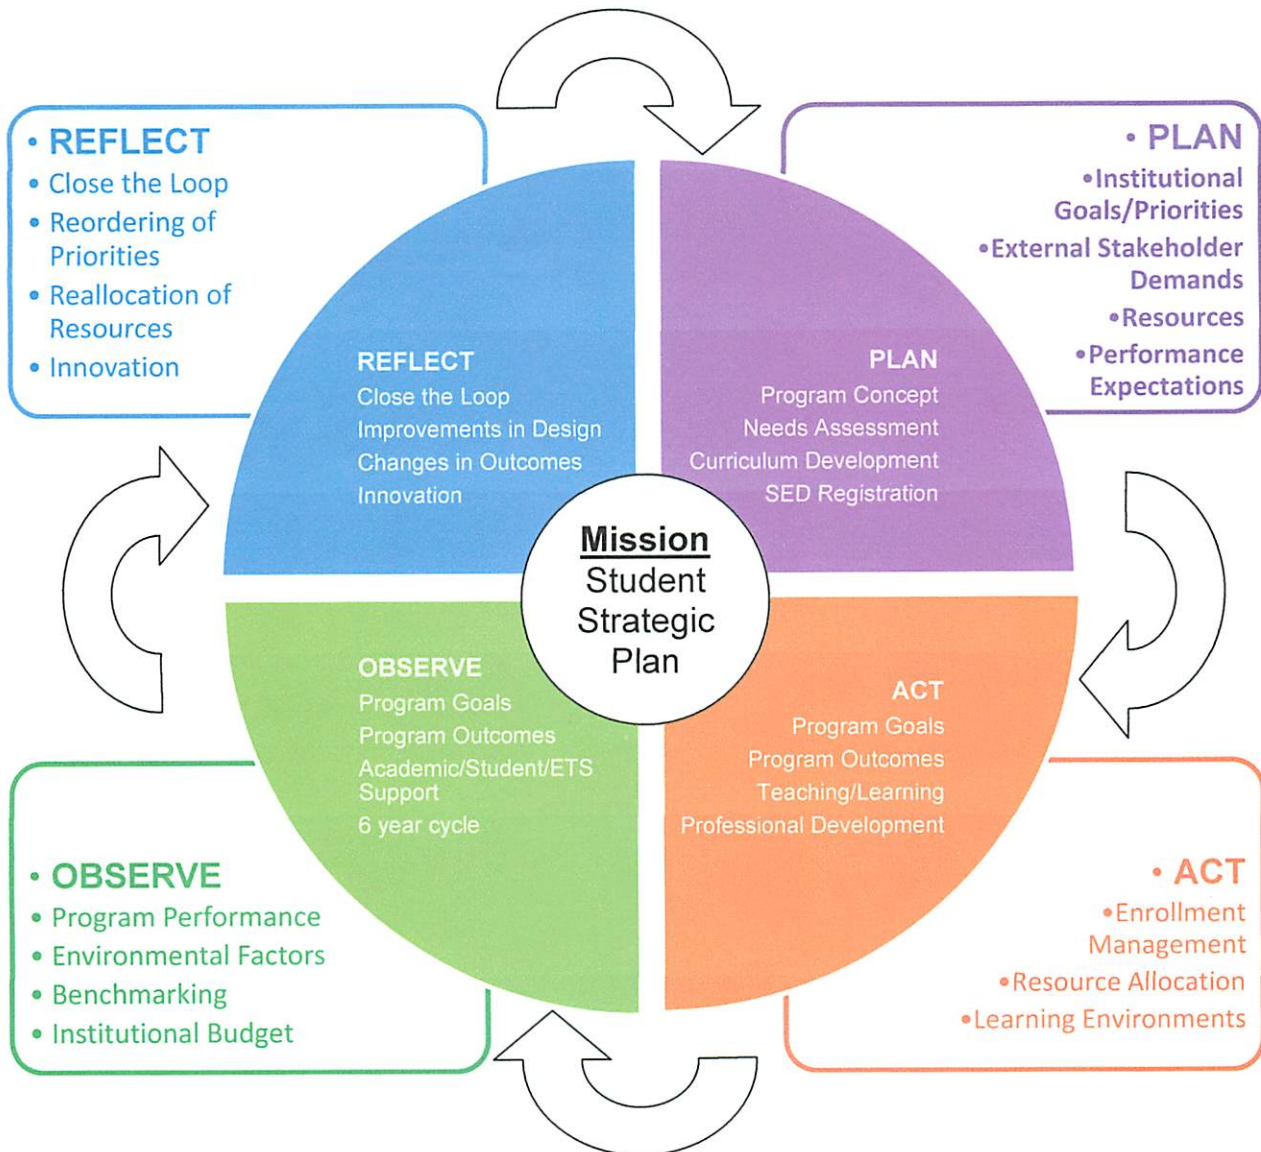

### Standard 7 Institutional Assessment

### Standard 14 Assessment of Student Learning

**A framework to guide the program development and review process from vision to "closing the loop," that meets the College mission, strategic plan, and makes good use of the College's scarce resources**

ASLC Purpose: Planning, Decision Making, Resource Allocation

Outcome: Accountability & Improvement of Student Learning

1. Plan – Establish Learning Goals
2. Act – Provide Learning Opportunities
3. Observe – Assess Student Learning – Accountability – Improvement
4. Reflect – Use the results – linked to planning and resource allocation process
