

Fall 2022 Admission Information Nursing (RN) A.A.S. (NU03) 2 Semester Option for Currently Employed LPNs

MCC's two semester Nursing (RN) A.A.S. program (NU03) is offered in the Fall semester for currently employed LPNs. All applicants meeting the admission requirements by the application deadline will be considered. MCC maintains a selective and competitive admissions process for this program based on a point system. Therefore, if there are more applicants than seats available, a competitive admission process will be used to distribute seats (see "Selection Criteria" below).

Applicants who do not meet the admission requirements or who are not selected for the upcoming semester will be admitted into another program at MCC (i.e. Health Studies – Clinical Track or Liberal Arts) and can work with an academic advisor toward their goal.

Application Deadline and Notification

Fall 2022 – Application is available mid-September. The application deadline for Fall 2022 is January 31, 2022. Admission notifications will be sent in mid-June.

How to Apply

- Currently enrolled, matriculated students are required to apply online (myMCC, Students tab, My Account tab, Academic Advising, request a change of major).
- New, transfer, returning, and non-matriculated students are required to apply through the Admissions Office by completing an [Admissions Application](#).
- Students must reapply each year if not selected for upcoming semester or if declining/deferring admission.

Admission Requirements

All prerequisite courses or equivalent transfer credit must have a minimum grade of "C" for eligibility for admission and must be completed prior to the application deadline. Science courses must include a lab. All high school classes must be at least a one credit course; half credit courses do not meet the required prerequisite. Meeting minimum requirements does not guarantee admission.

Please note: interpretation of the high school prerequisite may vary based on the school district's grading policy during 2020/2021 (due to COVID) if a numeric grade is not posted on the high school transcript. For example, in the event that the school district posted "Pass with Distinction/Pass/Fail" grades, only "Pass with Distinction" will be acceptable unless additional documentation from the school district is provided. Please speak to a staff member in Admissions or Advisement to determine prerequisite eligibility.

- **Math:** MTH 160 or MTH 162
- **Biology:** High school biology/living environment OR BIO 120, BIO 132 and 133, BIO 134, BIO 142, BIO 144, or BIO 155.
- **Chemistry:** High school chemistry or CHE 100, CHE 124, CHE 145, or CHE 151
- **2.75 cumulative GPA required**, including all credit bearing coursework at previous colleges
- ENG 101/200, PSY 101, PSY 212, BIO 144, and BIO 145 must be completed by the application deadline date. BIO 144 and 145 must be completed with a grade of "C" or better. If BIO 142 (Human Anatomy) and BIO 143 (Human Physiology) were both successfully completed (with grades of "C" or better) within the seven (7) year time limit, they will be substituted for BIO 144 and 145.

- Within the last three years, have completed the Excelsior College exam #NURX-210 with a grade of “B” or better or have graduated from the Isabella Graham Hart School of Practical Nursing. Either will replace NUR 111, Fundamentals of Nursing at MCC. For information on Excelsior Nursing Exams, [contact Excelsior College](#). The Excelsior College or Isabella Graham Hart School of Practical Nursing transcript must be on file with the Admissions Office by the application deadline.
- A copy of the student’s New York State LPN license must be on file with the Admissions Office by the application deadline.
- Have two years of recent clinical experience as an LPN. (Acute care setting strongly recommended.)
- Complete the MCC Nursing Department Exam for NUR 112 (Nursing Care of the Adult and Child – I) with a grade of “C” or better. This exam is scheduled by the Nursing Department and is administered in April or May.
- US citizen or have Permanent Resident Status by the application deadline date
- New York State resident. (New/transfer/returning, and non-matriculated applicants must be residents of Genesee, Livingston, Monroe, Ontario, Orleans, or Wayne counties. Currently enrolled, matriculated applicants may be residents of any NYS county.)
- Official transcripts, including high school, AP, IB, dual credit, or other institutions, must be on file with the Admissions Office by the application deadline for transfer credit evaluation.

Selection Criteria

When the number of applicants exceeds the available number of seats in the Nursing program, selection is based on the calculation of quality points earned in the following courses at MCC or equivalent transfer credit. Students are then ranked from highest to lowest number of quality points and admission is granted to the students with the most points. See the quality point chart at the end of this document.

Quality Point Classes

- BIO 144 – Human Anatomy and Physiology I* (4 credits, must be completed with a grade of “C” or better)
- BIO 145 – Human Anatomy and Physiology II* (4 credits, must be completed with a grade of “C” or better)
- BIO 202 – Microbiology (4 credits, must be completed with a grade of “C” or better)
- ENG 101 – College Composition (3 credits) or ENG 200 – Advanced Composition (3 credits)
- PSY 101 – Introduction to Psychological Science (3 credits, formerly Introduction to Psychology)
- PSY 212 – Developmental Psychology – Lifespan (3 credits)

**Please note: If both BIO 142 (Human Anatomy, 4 credits) and BIO 143 (Human Physiology, 4 credits) were previously taken and completed with grades of “C” or better, they can be substituted for BIO 144 and 145. See repeat policy and time limit information on page 4. Quality points for BIO 142 and 143 or BIO 144 and 145 will be increased by 25% (1.25).*

Additional points will be awarded for the following criteria

- Honorably Discharged Military Veterans or Current Service Members will be awarded one (1) additional quality point
- Applicants with a Bachelor’s degree by the application deadline will be awarded four (4) additional points
- Applicants with a Master’s degree by the application deadline will be awarded one (1) additional point.

Additional Notes Regarding Admission

- Admission for LPN applicants is limited to the number of seats available in the degree program.
- Admission is conditional upon completion of medical requirements, clearance of existing health problem(s), and ability to meet essential functions (physical and mental demands) of the program. See requirements at: [Health Services](#).
- COVID-19 Vaccination will be required of all students entering Nursing per the NYS COVID Vaccine Mandate for any student who participates in a clinical rotation (effective 8/27/21). Very limited Medical exemptions will be allowed. No religious exemptions will be allowed.
- BIO 142, 143, BIO 144, BIO 145, and BIO 202 must be no more than seven (7) years old for the grade to be considered when the applicant is accepted for admission.
- If admitted to the program, the student's class schedule will be assigned by the Nursing Department. Students must be available to take classes during the day and have reliable transportation to clinical sites.
- If admitted to the program, the Nursing Department will contact students to complete the Application of the Nursing Process (NUR 150) immediately prior to beginning the first clinical course.
- Students will be required to take Foundations of Nursing (NUR 110) concurrently with the first clinical courses.
- NYS requires RN graduates to complete a Baccalaureate of Science Degree in Nursing (BSN) within ten years of initial licensure. For more information, see: [BSN in 10](#).
- Students who have previously been matriculated in a Nursing program at MCC or another institution must refer to the [Nursing Department website](#), Student Policies, "Re-Admission Policy."
- Grading system notes:
 - MCC grades of Satisfactory (S) equate to a "C"; Pass (P) equates to a "D-"; and Unsatisfactory (U) equates to an "F."
 - Transfer credits earned at institutions who use a S/U or P/F grading system where a S or P equates to a "C" or higher will receive quality points equivalent to a "C."
 - AP scores of 3, 4, or 5 equate to "C", "B", or "A" respectively.

Anatomy and Physiology Repeat Course Policy

- No more than one unsuccessful attempt in any Anatomy & Physiology coursework (BIO 142, 143, 144, and 145) is permitted within the past seven years. Students with two or more unsuccessful attempts in any combination of the Anatomy & Physiology coursework within the past seven years are ineligible to apply. For example, a student with two unsuccessful attempts in BIO 144 would be ineligible to apply. Or, a student with one unsuccessful attempt in BIO 144 and one in BIO 145 would also be ineligible to apply.
- Unsuccessful attempts are defined as withdrawals (W), grades of "C-" or below, or Unsatisfactory (U).
- Unsuccessful attempts at previous institutions are included in this policy.
- Due to COVID-19, unsuccessful attempts in BIO 144 and 145 at MCC or another institution during Spring, Summer, and Fall 2020 will NOT be counted as an unsuccessful attempt under the repeat policy.

Quality Points for 4 credit classes: BIO 144, BIO 145, and BIO 202

Points awarded for grade of C or higher in BIO 144 & 145.

| Grade | Value of Grade | Quality Point Value | Points increased by 25% for BIO 144 and 145 (or previously BIO 142 and 143) |
|-------|----------------|---------------------|---|
| A | 4.0 | 16.0 | 20.0 |
| A- | 3.7 | 14.8 | 18.5 |
| B+ | 3.3 | 13.2 | 16.5 |
| B | 3.0 | 12.0 | 15.0 |
| B- | 2.7 | 10.8 | 13.5 |
| C+ | 2.3 | 9.2 | 11.5 |
| C | 2.0 | 8.0 | 10.0 |

Quality Points for 3 credit classes: ENG 101/200, PSY 101, and PSY 212

| Grade | Value of Grade | Quality Point Value |
|-------|----------------|---------------------|
| A | 4.0 | 12.0 |
| A- | 3.7 | 11.1 |
| B+ | 3.3 | 9.9 |
| B | 3.0 | 9.0 |
| B- | 2.7 | 8.1 |
| C+ | 2.3 | 6.9 |
| C | 2.0 | 6.0 |
| C- | 1.7 | 5.1 |
| D+ | 1.3 | 3.9 |
| D | 1.0 | 3.0 |
| D- | 0.7 | 2.1 |

Revised July 2021 for 2022 admission. Admission requirements are subject to change.
