Summary

The purpose of this policy is to provide the overview of circumstances under which Monroe Community College may award credit through transfer and prior learning credit.

Policy

Policy Statement

Monroe Community College awards transfer and prior learning credit in accordance with the State University of New York Transfer Credit Policies. Transfer credit is defined as college credits from other sources such as another post-secondary institution, Advanced Placement (AP), International Baccalaureate (IB), College Level Examination Program (CLEP) and Defense Activity for Non-Traditional Education Support (DANTES), military experience, and college credits earned in high school.

Those students wishing to receive transfer and/or prior learning credit must follow the published Transfer and Prior Learning Credit Procedure found in Faculty Senate Resolution 1.2.1.

The following are the types of transfer credit Monroe Community College will review and evaluate:

- Credits from Post-Secondary Institutions
- Advanced Placement, International Baccalaureate, CLEP and DANTES
- Military experience
- Credit Awarded by an Institution Outside the United States
- Credit by Examination
- Work Experience/Portfolio Assessment

Credits accepted by MCC may not be transferable to other institutions. Students should meet with a representative of the transfer institution to determine if those credits are transferable.

Applicability

This policy applies to all students seeking transfer credit.
