## Breath Analysis Operator Recertification

**Date/Time:** December 6, 2022  
8:30 a.m. – 12:30 p.m. OR 12:30 p.m. – 4:30 pm (Choose only one session)

The Monroe County Public Safety Training Facility (PSTF), under the auspices of the New York State Division of Criminal Justice Services (DCJS), will be holding an **Breath Analysis Operator Recertification Course** at 1190 Scottsville Road, Rochester, New York.

A breath analysis instrument operator shall be renewed for a two-year period, provided that, within the 120 calendar days preceding the permit's expiration date, the operator completes a retraining program designed to refresh and update the operator's knowledge of each breath analysis instrument for which the operator is seeking permit renewal and attains a passing score on a formal examination.

The Breath Analysis Operator Recertification course is also offered, as an option, through a distance learning program and can be accessed at [www.nydcjssims.com](http://www.nydcjssims.com).

### ***Prerequisites***

- In order to be admitted into a testing site, the operator must possess a copy of their NYS Department of Health permit bearing a valid 2022 or 2023 expiration date within the 120 calendar days preceding the permit's expiration date.

### ***Required Attire and/or Equipment***

- Attire (dress code)
  - Business casual, OR
  - Department designated uniform of the day

### **Graduation Requirements**

- Passing grade on a written examination.

### **Course Tuition and Fees**

- There is no tuition or fees associated with this course.

**Reservations:** To reserve a seat in this course, please complete a [Law Enforcement Program Course Reservation Form](#) and return it to the PSTF no later than **November 22, 2022**.
