8:30 a.m. to 4:30 p.m.

The Monroe County Public Safety Training Facility (PSTF), in partnership with the Monroe County Sheriff's Office, will be holding a ***Patrol Rifle Instructor Course***. This course is designed to train and prepare the Firearms Instructor to be a Patrol Rifle Instructor. Students must possess the ability to make accurate rifle sight adjustments, field strip, reassemble, load and unload their respective rifles, prior to arrival. Students must be physically capable of quickly and safely assuming the standing, kneeling, sitting, and prone positions, maintaining these positions for a period of time, and safely recovering from them without assistance.
