Experience the Difference of Living and Learning at Monroe Community College

Welcome to your home away from home. We are pleased to be a part of your college experience. The Monroe Community College residence hall program is owned and operated by the MCC Association, Inc. Housing and Residence Life strives to provide a living environment that is comfortable, conducive to building a positive community, study and intellectual achievement. Our residence halls have a capacity of 772 residents. The Housing and Residence Life Office is located in 106 West Canal Hall, accessible by an external entrance facing the Canal Hall parking lot S and T. The hours of operation are Monday to Friday 8:45 a.m. – 4:45 p.m. (hours are subject to change).

MCC is a center for learning for all of its students, therefore we believe in free inquiry and free expression. Students are encouraged to develop the capacity for critical judgment and to learn about themselves and others.

The freedom to learn depends upon appropriate, safe, non-prejudiced opportunities and conditions in the classroom, on campus, and in the larger community. Students should respect this environment and act with civility, courteousness, and responsibility.

With this in mind, the college policies and regulations are presented as the minimum code of orderly conduct at Monroe Community College. They should serve as a guide to obtaining freedom and to respecting the freedom of others.

Residence hall students are responsible for knowing and following all of the policies and regulations which appear in this handbook, the College Catalog, or any other official College or MCC Association, Inc., memorandum or publication.
The following information serves as a guide to living and learning at Monroe Community College. In it you will find information ranging from who makes up the Housing and Residence Life staff to where to get your mail. We hope that you will find this manual to be useful. However, it may not answer all of your questions or concerns. We strongly encourage you to contact your Resident Assistant or any other member of the staff for further information.

Housing Team

*Director of Housing and Residence Life*

The Director of Housing and Residence Life is responsible for all aspects of the Residence Life program at MCC. The Director provides direction for the training and programming activities. Additional responsibilities include housing management, technology management, housing appeals, budget, and program development.

*Assistant Director of Housing and Residence Life*

The Assistant Director of Housing and Residence Life supervises, trains and evaluates the professional and student staff. The Assistant Director coordinates the student conduct system for residential students. The Assistant Director also manages the support committees including external companies/vendors associated with the operation, maintenance, and services provided in the residence halls.

*Resident Directors (RDs)*

The residence halls are supervised by five Resident Directors (RDs). RD offices are located on the first floor of each building. The RDs possess a Master's degree and/or a minimum of 2 years of experience in residential life. RDs are full-time professional staff members who reside in the buildings. Their primary responsibility includes supervising Resident Assistants (RAs) and Community Assistants (CAs), planning and participating in residence hall programs, and the management of the residence halls. They have posted office hours during the work day to respond to the needs of the residential students. **There is an on call RD available from 5:00pm – 9:00am in case of an emergency.**

The Resident Directors work with the student staff members and students to establish and maintain a healthy and safe community in the residence halls. Residential students bring ideas for fun and new learning experiences; RDs help make it happen.

*Resident Assistants (RAs)*

Resident Assistants (RAs) are student staff members who live in the residence halls. As a member of the Housing and Residence Life staff, one RA is assigned to each floor. RAs are selected on the basis of leadership and other personal qualities that enable them to assist residential students with concerns and everyday issues.

*Community Assistants (CAs)*

Community Assistants (CAs) are student staff members that assist the Resident Assistants with community development. The CA helps the Resident Director of the building with programming, information dissemination and creating a positive living environment. CAs do not have any policy enforcement responsibilities.

*Night Desk Attendants (NDAs) & Public Safety 2s (PS2s)*

Night Desk Attendants (NDAs) are students who assist in maintaining a safe and comfortable residence hall environment in the evening hours at the halls reporting directly to the Public Safety
department. Public Safety 2s (PS2s) are part-time security officers who provide the same service during the overnight hours. The NDAs and PS2s are responsible for checking in each resident and their guest(s) according to established procedures. NDAs/PS2s have the authority to search personal belongings of any individual entering the residence hall(s). NDAs/PS2s may be asked to assist the Housing and Residence Life staff and Public Safety in responding to emergency situations.

**Administrative Support**

These individuals coordinate the daily activities in the office including answering questions, data processing, and are most likely the first people to greet you in the Housing and Residence Life Office.

**Building Services**

The Building Service staff is responsible for cleaning the hallways, lounges and other public areas. Part of responsible community living is picking up after personal items and not littering. The Building Services staff is not responsible for cleaning individual suites or bedrooms.

**Campus Living**

**Cable Service**

Basic cable service is provided free of charge in each residential bedroom as well as in the suite living room. Problems with cable service should be reported directly to Time Warner at 585-756-5000. Residents must set up appointments with Time Warner to activate/deactivate premium service to their room or suite. The individual who is named on the account is financially responsible for all equipment and monetary obligations. The Department of Housing & Residential Life will not be involved in any disputes regarding cable service, equipment or monetary issues.

**Computer Services**

Wireless internet is the primary service of internet in the residence halls. A limited number of rooms may be served via an Ethernet networking jack. There may be costs if there is no Ethernet currently connected to a suite. All MCC students receive a student e-mail account, which is used for registering residential students' computers. To utilize these services from individual bedrooms, bring a computer with wireless internet capabilities. In addition, there are a number of wireless public access locations across campus and in the residence halls. **External wireless routers are not permitted.** Please contact ConvergeOne at 1-855-346-9295 with wireless connectivity issues.

**Disclaimer for Student Email**

The student e-mail system consists of around 25,000 accounts, which are automatically created and deleted based on student record information. There are no implied warranties or guarantees regarding the security and/or reliability of the system. While every effort has been made to maximize
system uptime, reliability, and security, we cannot guarantee it. Further, while the student e-mail system is backed up, we will not restore individual e-mail accounts or messages. The backups exist for disaster recovery purposes: in case the server or servers crash, we can restore the entire system. Please keep your own backup copies of everything that is related to your class work as well as anything else that is important to you.

**Deliveries**

Residents who order food from off-campus must provide the vendor with their room number and contact phone number. The vendor will then call the resident when they arrive at the hall. It is the resident’s responsibility to meet the delivery person in the first floor lobby to pick up and pay for the food. No delivery person will be allowed to enter the living areas in the residence halls. Flower/Balloon vendors will need to follow the same guidelines for delivery.

**Heating and Air Conditioning**

For best heating results, **do not** block the air vents, and keep all windows closed. In the summer, air conditioning will not work properly unless the windows are closed. Rochester winters are cold; cooperation in helping to conserve energy is appreciated. If there are questions about heating/air units, please contact a member of the Housing and Residence Life staff for assistance.

**Laundry**

Card/coin operated washers and dryers are located on the first floor of each building. The laundry rooms are open 24 hours. Washers cost $1.50 per load; dryers cost $1.50 and run on a 50-minute cycle, with 25 cents for each additional 10 minutes. Please report any problems with the washers and dryers to a Resident Director immediately. The Resident Director will complete a form for any necessary refunds. Residents must go to the R. Thomas Flynn Campus Center Service Desk to pick up refunds. Monroe Community College Association, Inc. is not responsible for lost, stolen or damaged items left unattended in the laundry room.

**Lobby**

Each residence hall has a common area located on the first floor of each building. Canal Hall has a large lobby and conference room. Each lobby includes a TV with cable, recreational equipment and lounge furniture. The lobby is for the use of the residents and accompanied guests in that building. These rooms are for social and recreational use. Removal of lobby furniture is prohibited and will result in student conduct action. Sleeping in the lobby is prohibited. Programs and events planned in the lobby must be approved and registered with a Housing and Residence Life staff member. These events will be given priority over other daily activities.

**Mail Service**

Each resident is assigned a mailbox and receives a key upon arrival. All mailboxes are located near the main entrance of each building. Mail is delivered daily, with the exception of Saturdays, Sundays, federal holidays and during breaks when the halls are closed. There will be limited mail service during Intersession. Stamps may be purchased at the R. Thomas Flynn Campus Center Service Desk. If there are any questions concerning mail delivery or if your mail key is lost/stolen, please contact an RD. When a resident receives a package, a slip will be placed in the resident’s mailbox, and residents will be able to pick it up during posted pick up hours. Mail will not be forwarded over College breaks or beyond July 1 following the close of the academic year.
Mail may only be picked up from the residence halls. No mail will be distributed to residence hall students from the campus mailroom or the Housing and Residence Life Office. Please note: mail takes up to two days to arrive in residence hall mailboxes once it has arrived on campus.

**Mailing Addresses for Residents**
The correct mailing address for residents is as follows:

- **Pioneer Hall Residents**
  Name  
  50 Pioneer Hall Box (Number to be assigned upon arrival)  
  Rochester NY, 14623

- **Alexander Hall Residents**
  Name  
  51 Alexander Hall Box (Number to be assigned upon arrival)  
  Rochester NY, 14623

- **Tribune Hall Residents**
  Name  
  52 Tribune Hall Box (Number to be assigned upon arrival)  
  Rochester NY, 14623

- **Canal Hall Residents**
  Name  
  53 Canal Hall Box (Number to be assigned upon arrival)  
  Rochester NY, 14623

Every resident is responsible for checking their on-campus mailbox daily. Important, dated intercampus mail may be sent to residents via resident mailboxes. The students MCC email is the official form of communication.

All mail keys must be returned to an RD before leaving school or a $25 lost key charge will be assessed to the resident’s account. Please complete the mail forwarding form online before departing from the residence halls. All mail received at the end of the academic year will be forwarded until July 1. After July 1, all mail and packages received at the residence halls will be marked return to sender. If mail or packages cannot be forwarded or returned to sender, Housing will attempt to contact the student via the phone numbers listed in Banner. If the package goes unclaimed for thirty (30) days Housing and Residence Life will discard the item. Residents can refer to the Housing and Residence Life web page for updates and information on mail service.

**Meal Option**
MCC residents are not required to have a meal plan to live in the residence halls. Residents do have the option to add cash to their ID cards and use it as a pre-paid dining plan. The plan will be available in the dining facilities on the Brighton Campus. For more information and questions please contact Sodexo Dining Services at 585-282-2513. Residents can refer to the Housing and Residence Life web page for updates and information regarding meal options. For some students, a Financial Aid meal plan may be an option. Please ask your Financial Aid representative.

**Parking**
All Brighton Campus Traffic and Parking Regulations are in effect and applicable for on-campus residents.
Residence hall parking permits must be purchased in person from the R. Thomas Flynn Campus Center Service Desk, Building 3. There is an additional fee for a residence hall parking permit per semester. If a parking permit is lost, please go to the Housing and Residence Life Office.

Each resident will be permitted to register one vehicle. Residence Hall parking is restricted to designated residence hall parking lots. Parking is only allowed in the lot for which the permit is issued. The only exception is a resident who has registered with the Parking Office as a person with a disability and whose vehicle has a valid handicap permit displayed. From 5:00 p.m. until midnight, residents may park in other parking lots on campus with a valid parking permit. Failure to abide by residence parking policy may result in the vehicle being ticketed and/or towed at the owner’s/operator’s expense.

Non-college community members visiting campus may either park in a metered parking spot (available in R, S, and T lot) or obtain a visitor parking pass and park in designated areas. Visitor parking passes must be obtained by a residence hall student at the Bursar's Parking window located on second floor in building 6. Visitor passes are $2.00 each and valid for one day only. Each resident is permitted 25 visitor passes per semester. Residence hall guest passes are valid for the first three rows of Lot E only. Additional last-minute passes may be purchased for $5.00/night in a vending machine located outside of the Building 4 Theater.

For the security and safety of all college community members, driving and parking along the inside of the residential quad is strictly prohibited. Violators may be ticketed/towed at the owner’s/operator’s expense if cars are parked illegally.

For questions about parking passes, parking tickets, parking regulations and appeals, please contact the MCC Parking Office at (585) 292-2700 or visit the office at Building 7-341.

**Pest Control**

Please notify a Housing and Residence Life staff member if there is any problem with insects or rodents in a room or suite. A service request form must be submitted for a member of the pest control staff and building services to enter the room or suite during regular business hours to address the problem. Residents do not have to be present, but make sure an accurate description of the problem is given. All non-perishable food should be stored in airtight containers and be well wrapped. No food is to be placed on windowsills. Food must be properly stored or discarded during vacations. If pest control is contacted for an issue that a student is responsible for, all costs will be passed on to that student.

**Recreation**

There are numerous outdoor activities and clubs on campus. The Rochester region provides ample opportunity for activity year-round. From snowboarding to swimming to a myriad of festivals, concerts and museums, there are many options available.

On campus, residents have access to the Human Performance Lab and PAC Center – a state-of-the-art workout facility located in Building 10 – as well as two gymnasiums, lighted tennis courts, an indoor walking track, playing field, a Frisbee golf course and an Olympic-sized swimming pool. It’s all free!

An intramurals program is offered year-round. Residents who are interested in participating in the intramurals program should contact the Athletics Department at (585) 292-2869 for more information.

A break room is located in the R. Thomas Flynn Campus Center Building 3-138. Pool tables and video games are available along with a TV lounge space.
**Telephones**
Residents are encouraged to provide the college with a contact telephone number via the student information system. On campus departments, faculty and staff will utilize this number to contact residents.

**Trash & Recycling**
Please dispose of all trash in the large black trash bins in the trash rooms located on the first floor of each of the five buildings. Please rinse and place all cans, bottles, cardboard and paper in the appropriately marked green recycling bins in the trash rooms. Please use correct receptacles and see posted signage for additional information about recycling. Additionally, each individual suite is equipped with a small green recycle bin. This can be used to transport recyclable materials to the trash rooms, but should always be returned to the suite, as residents are responsible if it is not there at the end of the year.

**Vending**
Vending machines are conveniently located on the first floor of each residence hall. A selection of snack items and cold drinks are available 24 hours a day in these machines.

If a machine is broken, please go to the R. Thomas Flynn Campus Center Service Desk or see a member of the Residence Life staff. Be as specific as possible about which machine is not working and about the nature of the problem. If a machine fails to dispense a product, please report the loss to the R. Thomas Flynn Campus Center Service Desk.

**Safety and Security**
The College has an outstanding security record. This is due to our excellent Public Safety staff and procedures, as well as from features like secure card access readers, blue light emergency phone stations, state-of-the-art smoke/heat alarm systems, camera monitoring system, and 24-hour Public Safety surveillance around campus.

Safety is everyone’s responsibility. Report any unusual, dangerous, illegal, harassing, or otherwise unsafe behaviors to a Housing and Residence Life staff member or Public Safety.

**Public Safety**
The Public Safety Department provides security and related services to the college community seven days a week, 24 hours a day. All Public Safety Officers are Civil Service employees and must successfully complete the Police Recruit Training Course at the Public Safety Training Center. This is the same course attended by all police officers in Monroe County. No other college in Monroe County maintains this standard for their security or public safety officers. Officers have also been trained in emergency medical procedures, first aid, CPR and Critical Incident Command.

Public Safety Officers have armed Campus Peace Officer status in accordance with New York state law. They conduct foot, bike, and vehicular patrols on campus and at satellite locations, 24 hours a day. On campus, Public Safety Officers enforce all laws and regulations, both of the college and the State of New York. The Public Safety Department works very closely with the Brighton Town Police Department and other local and state law enforcement agencies to assist them with incidents that may occur off-campus.

Potential criminal actions and other emergencies on campus can be reported by any student, faculty member or employee directly to the Public Safety Department. It is extremely important to notify Public Safety so they are aware and involved with any action or investigation. If dialing from a
Brighton Campus phone, dial 2911. If dialing from a cell phone or off campus line, dial (585) 292-2911. Brighton Public Safety are located in building 21-140. Emergencies can also be reported by using blue-light courtesy phones, located throughout campus. Upon receiving a call, officers are dispatched immediately to the site of the complaint.

The college encourages accurate and prompt reporting of all crimes or suspected criminal activity. Reports may be made anonymously via the web by going to the Silent Witness at www.monroecc.edu/go/witness or by calling the Crime Stoppers confidential tip line at (585) 292-3636. You can also download the MCC RAVE Guardian App on your phone or tablet where you gain report incidents anonymously.

**Crime Prevention Tips**

People who see an opportunity for gain may take advantage of it. Assault and robberies can happen to anyone, anywhere, at any time. If we work together, we can stop crime before it occurs.

Crime reduction on campus requires the continued active support of the College community. The following are a few suggestions, which may help to prevent crime by planning ahead for personal protection.

**Personal Safety…What You Can Do**

The best defense against crime is to take adequate precautions, and always practice good personal safety. Precaution and prevention are the most effective tools that can used to reduce the chances of falling victim to a crime. Know the current environment and be alert at all times, whether at home, out walking (especially at night), driving or at work.

**At Home, Your Apartment, or Residence Hall Room**

- Keep doors and windows locked when at home to keep out unwanted visitors
- Lock all doors and windows whenever exiting. Even the best locks won’t work if you do not use them
- Don’t automatically open the door when someone knocks. Use the peep hole in the front door to see who is there
- When strangers ask to use personal phones, offer to make the necessary call but don’t let the person into the room
- Do not loan room keys to anyone

**When Walking**

- Know the locations of blue-light courtesy call boxes along daily routes
- Plan routes in advance. Stay away from alleys, fields, and dark areas. Avoid shortcuts
- Walk on lighted walkways on campus. Use the Public Safety Escort Service
- Don’t walk alone. Walk with a friend, especially at night
- Use RTS buses. Wait for the bus with a friend
- If being followed, change directions and head for a public place
- Have keys ready to enter a car, room, or apartment immediately
- Don’t accept rides from strangers. Don’t hitchhike

**If You Are the Victim of a Crime**

Notify the authorities at once. If the incident happened on campus, call Public Safety at x2911 from any Brighton Campus telephone. If dialing from a cell phone or off campus line, dial (585)-292-2911. If the incident happened off campus, contact the local law enforcement agency serving that area.
MCC provides a wide variety of security services and prevention programs to everyone in the campus community. Although everyone is ultimately responsible for their own physical safety, learning and practicing the basic precautions will enhance every student's well-being.

2020-2021 MCCA Housing License

1. Students who have applied for housing, submitted a $200 housing/security deposit and are matriculated full-time at Monroe Community College (the "College") are eligible. "Full-time" is defined as - twelve (12) credit hours or more; this includes hours added during the drop-add period. Students must meet all health requirements and be in good conduct standing. To be eligible for a room assignment, students must be registered full-time. Students must be enrolled full-time each semester to reside in the residence halls. If a resident falls below the credit hour requirement during the semester, eligibility to reside in the halls may be revoked and this agreement terminated by The MCC Association, Inc. (the “Association”).

2. Current students are eligible for the intersession option if enrolled for three (3) or more credits during intersession and if they are returning for spring semester. Students must complete and submit an intersession application with the required intersession housing fees. Housing fees for intersession may not be covered by financial aid. Applications must be submitted to the Campus Center Service desk with payment by the deadline.

3. The cost of housing for 2020-2021 is $3915.00 per semester for a single room or $7,830.00 for the academic year not including intersession, a double room is $3,395.00 per semester or $6,790.00 for the academic year not including intersession, and a D room single is $3,795.00 per semester or $7,590.00 for the academic year not including intersession. The housing agreement will be binding for the entire academic year; therefore, students will be financially responsible for both semesters unless the Housing and Residence Life Department is able to re-establish occupancy. Students requesting to vacate due to graduation, internship, military enlistment or transfer must notify Housing by December 1st, or the first business day of December, and provide supporting documentation by January 15, 2021. Payments are due by the published payment deadlines. Students who fail to make payment by the due date(s) may have an academic hold placed on their account or their housing contract cancelled. Students intending to pay for housing, tuition and fees with financial aid are encouraged to file for financial aid no later than March 11, 2020. Any balance due after estimated aid is applied must be paid before students will be admitted into the residence halls. If the balance due is not paid within 15 days after the scheduled occupancy date, the Association may reassign the room. In such circumstances, the Association will retain the student’s housing/security deposit, and the student will remain financially obligated as and to the extent provided in paragraph 5 under “Refunds and Forfeitures”, below.

4. Students must be 18 years of age by December 31, 2020 to reside in the residence halls; exceptions by permission of Director of Housing and Residence Life.

5. The Association reserves the right to make room assignments and reassignments as necessary.

6. Housing is limited; students are not guaranteed a room, a specific room assignment, or a specific roommate.

7. Residents are permitted to have a vehicle on campus but must park in the designated areas for residential students. Parking permits can be purchased for an additional fee per semester paid at the Campus Center Service desk.

8. Health requirements are mandatory and must be complete prior to admittance into the residence halls. New York State Public Health Law 2165 requires all post-secondary students attending colleges and universities to demonstrate proof of immunity against measles, mumps, rubella and meningitis (or a signed waiver). Immunization for Hepatitis B is strongly recommended. For more information, visit the Health Service website www.monroec.edu/depts/stuhealth, or contact Health Services at (585) 292-2018.
9. Proof of current comprehensive insurance coverage is required. Residents covered by health insurance that is equal to or more comprehensive than the policy available through the College must certify to that effect to receive a waiver. Students must submit the name and policy number of their insurance carrier to the Health Services Office. The purchase of student health insurance coverage through an identified vendor is available at an additional cost to the student.

10. Individuals who, in the opinion of the Vice President for Student Services endanger the health and safety of oneself or others are not eligible for residence housing. Registered Sex Offenders at risk to re-offend according to New York State law or the law of any other jurisdiction represent an immediate risk or clear and present danger and are not eligible for residence housing.

11. This housing agreement is not a lease, does not create an interest or right in real property, and may be terminated by the Association as provided herein or in published Association or College policies, procedures, rules and/or regulations.

Refunds and Forfeitures

1. This license is binding for the academic year, excluding intersession. Official College vacation periods are not included in this agreement for accommodations and such periods are not covered by the fees established in this agreement.

2. The Association will retain a student's housing/security deposit and (subject to paragraph 5 below) housing fee, and terminate the agreement, if a student living in the residence halls: a) withdraws from the College; or b) is removed from housing; or c) is withdrawn from the College; or d) voluntarily leaves housing; or e) is no longer eligible for housing or otherwise becomes ineligible for housing.

3. Students who choose to terminate their license during residency or whose licenses are terminated by the Association in accordance with this agreement, will forfeit their housing/security deposit. Students who are called to military service are exempt.

4. The housing/security deposit will be refunded if a room is not available and the student requests a refund in writing.

5. If a student withdraws/terminates the housing agreement other than by reason of being called to military service, or if the agreement is terminated by the Association as provided by its terms, the student will be financially obligated for the housing fee until the Housing and Residence Life Department is able to re-establish the occupancy.

6. This agreement is binding. Occupants agree that housing and tuition fees will be paid by due dates and accept liability for any collection costs as a result of failure to pay, including, without limitation, collection agency fees, court costs and attorney's fees.

7. Students whose payment for housing includes approved financial aid will be fully obligated to pay the balance of any housing fees as a result of financial aid that does not materialize or for which the student is deemed ineligible (as a result of withdrawals, drops, failure to meet academic progress, or other reasons).

8. The housing/security deposit is not considered advance payment of the housing fee. The housing/security deposit will be cashed and/or charged and retained by the Association as a guarantee against damage to the room, residence property or furnishings. The housing/security deposit will be refunded within ninety (90) days of the expiration of the agreement provided damage charges have been paid in full and there is no additional damage or housing related fines/charges. All damage charges associated with the suites or common area damages will be split equally and charged as fines against each suitemate’s housing/security deposit unless otherwise resolved with the suite residents and the Housing staff. Damage in public areas of residence hall buildings will be assessed at the discretion of the Association. The Association, Inc.
reserves the right to deduct any funds still owed to the Association from the housing/security deposit (ex. Financial Aid Meal Plan, Bookstore credit, emergency student loan, etc.). In the event that the housing/security deposit does not cover the amount for which the student is responsible, the student will pay the shortfall to the Association on demand.

9. An appeal for a housing fee refund should be directed in writing to the Housing Refund Appeals Committee, Office of Housing and Residence Life. Appeals for a refund of housing fees after check-out must be received within 14 business days of the check-out date. Appeals received after the deadline will be denied. Appeals must include all supporting documentation at the time of the appeal. Appeals received without proper documentation and appeal form may be denied. Appeal letters must be written by the student; those written on behalf of the student will be denied. The decision of the Appeals Committee is final.

10. Residents will receive no reduction or refund of housing fees, nor will the Association or the College be liable to any resident, as a result of interruption of services to utilities, appliances, or other equipment due to repairs, defects or circumstances not caused by the gross negligence or willful misconduct of the Association or the College.

**Inspection and Occupancy**

1. The Association reserves the right to allow authorized personnel to enter into the living area or resident's room at any time.

11. Neither the Association nor the College will be liable for any personal injuries sustained by resident or by any of resident’s guests or invitees in or about resident’s room, suite or other areas in or about the residence hall, or for any loss of, damage to or theft of resident’s personal belongings or those of resident’s guests or invitees, resulting from any cause whatsoever unless the injury, loss, damage or theft is caused by the gross negligence or willful misconduct of the Association or the College. The resident releases the Association, the College, and their respective trustees, directors, officers, employees, agents, contractors and representatives from any and all claims resident may have in the future, waives all such claims, and agrees not to sue the Association, the College, and/or their respective trustees, directors, officers, employees, agents, contractors and/or representatives for any such claims, for liability arising out of any such injury, loss, damage or theft, including but not limited to claims arising out of the negligent acts or omissions of any or all of the foregoing persons/entities or others.

If any portion of this contract is held invalid by a court of competent jurisdiction, the remaining terms will continue in full force and effect.

I acknowledge that my 2020-2021 Housing License Agreement, signed at the time I requested housing for the 2020-2021 academic year, does **not** provide for housing beyond the occupancy period, including but not limited to summer housing. Students who require summer housing must participate in a separate application process during the Spring 2021 semester.

**Social Distancing Protocols**

1. I agree not to travel further than 50 miles from the residence halls throughout the occupancy period. If applicable, travel restrictions for college breaks will be communicated in advance of the break. If I choose to violate travel restrictions announced by the MCCA, Monroe Community College, the State of New York, and/or the Federal Government during the occupancy period, the MCCA may terminate my License Agreement and deny me access to the residence halls. In the event of such termination, I will not be entitled to any refunds or credits of housing or dining costs.

2. I agree to comply with any event and gathering restrictions announced by MCCA and/or Monroe Community College. This includes observing social distancing recommendations (maintaining a 6ft distance between persons), and no gatherings of more than (outside and appropriately social distanced). 4. I agree to comply with any additional limitations, restrictions, or policies imposed by the MCCA for the health and safety of our community during the occupancy period. If I violate these restrictions, the MCCA may terminate my license agreement and deny me access to the residence halls. In the event of such termination, I will not be entitled to any refunds or credits of housing or dining costs.

**Support Services**

I acknowledge that Monroe Community College and/or the MCCA may reduce or eliminate student or academic support services, including but not limited to library access, dining services, and recreation services. I will not be entitled to a rebate or credit of any housing costs in the event of a reduction or elimination of these programs. Disability support services will continue, but may be modified in conjunction with the Office of Counseling and Disability Services.

I acknowledge that only individuals contractually assigned to my suite/room may occupy my suite/room. **There is a strict no guest policy in effect.** Only resident students are permitted to enter MCC residence halls. **Until further notice,** there is a strict no guest policy in effect for non-resident MCC students.

Only MCC residence hall students can visit other resident students. ONLY one guest per resident, for a maximum of 8 guests per suite. Each student assigned to a room is only permitted 1 resident student guest at a time. College and MCCA rules and policies must be followed including social distancing and mask use. College and MCCA staff reserve the right to end a gathering at any time.

1. I understand that I may not enter any residence halls other than my assigned residence hall for the duration of the occupancy period.
2. I understand that any non-resident guests (MCC students who do not reside in housing, residents of another building, individuals not enrolled at MCC, family, friends, etc.) may **not** enter my residence hall or residence hall suite/room at any time for any reason. This includes any non-resident guests assisting me with moving or removing my belongings.
3. Any non-resident guests found in the residence halls will be asked to leave and may be issued a banned student notice.

I understand that I may not take part in or host on campus social gatherings and, if found in violation, I may be removed from on-campus housing and will not be entitled to any refunds or credits of housing or dining costs.

Off Campus Gatherings

Resident students who attend off campus gatherings are expected to observe MCC social distancing and mask guidelines. Off campus gatherings should not include more than 10 total individuals. All MCC and MCCA policies should be followed.

Personal Hygiene

1. I acknowledge that I will strive to follow these best practices on personal hygiene to protect myself and others.
   - Clean up after myself in shared bathrooms and use a shower caddy to transport toiletries. *(We recommend that personal items may not be stored in shared suite bathrooms.)*
   - Wash my hands often with soap and water for at least 20 seconds.
   - Avoid touching my eyes, nose, or mouth with unwashed hands.
   - Clean AND disinfect **frequently touched surfaces** daily such as tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
   - Cover my mouth and nose when I cough or sneeze.
   - Avoid public spaces and avoid close contact with people who are sick.
   - Follow state guidelines regarding break periods and travel.
   - Stay in my room if I am sick and avoid contact with others.
2. I understand that the MCCA is unable to provide cleaning supplies to students and that I must establish my own appropriate supply.
3. I understand that, while the MCCA staff will clean common areas of the residence halls (entranceways, hallways, lobbies, etc.), I am responsible for cleaning my own bedroom, bathroom, kitchen, etc.
**Mask Policy**

In accordance with New York state and Monroe County guidelines, wearing face coverings when in public and on campus, especially when you can’t maintain a safe distance of at least 6 feet from others, is an important part of reducing the spread of the coronavirus and making sure our region can continue reopening.

MCC’s face covering protocol states that all individuals will wear adequate face coverings when on campus unless you are:

- alone in an enclosed space.
- outdoors in an environment where proper social distancing is practiced.
- or consuming food or a beverage in designated location.

Wearing a face covering will keep you from spreading the virus to others. Social distancing should be practiced even while wearing a mask.

**COVID Symptoms & Quarantine**

If I experience any symptoms, such as fever, cough, or shortness of breath, I will stay in my room and call Public Safety at (585) 292-2911. I will follow their advice on appropriate next steps.

If I am diagnosed with COVID-19, I will immediately notify Public Safety at (585) 292-2911, AND I will not leave my room unless directed by staff members to do so.

**Staffing**

I understand that residence hall student staffing – resident assistants (RA) – will be limited, and in-person RA programming will not be permitted. Professional Residence Life staff in the Housing and Residence Life Office and building resident directors (RD) will be on campus, but will have limited in-person interaction. Contact information for each resident director is posted in my residence hall. Additionally, reduced Dining Services will be available in each residence hall during the initial quarantine period.

**Follow-up Information**

I understand that the MCCA and Housing & Residence Life Office reserve the right to modify this document at any time, and that any updates or important announcements will be communicated to me through my MCC student email account. It is my responsibility to check this account daily.

If I am removed from housing through the conduct process, I am not entitled to any refunds or credits of any housing or dining costs.

Residence Hall Policies

The following are residence hall policies, which apply to all residence hall students, their guests, and visitors in the Alice Holloway Young Commons. In addition to the residence hall policies, all residents must follow all Monroe Community College Conduct Regulations, as outlined in this handbook.

The following list of prohibited behaviors is provided as fair notice of the types of conduct which may result in judicial action and is an extension of the Monroe Community College Conduct Regulations. This list is not all-inclusive. If at any time a student feels they are being unjustly or inappropriately addressed it is expected that the student will conduct themselves in a respectful and dignified manner, and will bring formal complaint against the addressing staff member by notifying the staff member’s immediate supervisor.

Community Living Understanding and Expectation

It is understood that each resident is a member of the living and learning community of the Alice Holloway Young Commons residence halls. As a member of this community, each individual has certain rights as a resident and as a student. Each individual must recognize that other members of this community have these same rights, and that their rights stop where another’s rights begin. For this reason, it will be important that each individual learn to compromise with others in order to maintain an environment in which all members of the community may grow as individuals and may pursue learning as a fundamental part of the campus residential experience. As a member of this community, residents agree to abide by local, state and federal laws, as well as by the Residence Hall Policies and Monroe Community College Codes of Conduct at all times.

Alcohol and Other Drugs

The use, sale, transfer, possession or being in the presence of alcoholic beverages in the residence halls or on College premises is prohibited, regardless of age. No alcohol beverage containers or drinking game devices or paraphernalia are allowed in the residence hall or on the College premises, regardless of age.

Individuals involved with the illegal possession, use, sale, transfer, and/or being in the presence of any controlled substances, including those used for medicinal purposes, may be dismissed from the residence halls without refund. All drug paraphernalia is prohibited and will be confiscated. Drug-related violations may result in criminal charges, in addition to residence hall and college student conduct action.

Bicycles
Bicycles are not permitted to be stored inside the residence halls. All bicycles should be secured outside in designated bike racks. It is recommended that you secure your bicycle with a heavy-duty bike lock. The Housing and Residence Life Office and the MCC Association, Inc., are not responsible for damage or theft of bicycles. You may not leave your bicycle on the racks during the summer if you are not a summer student. Any unattended bicycles remaining in bike racks after June 1 will be removed and discarded.

Cooking
Cooking is allowed only in suite kitchen areas. Residents are encouraged to cook with the kitchen appliances provided in the residence halls. It is expected that residents wishing to cook will apply all fire safety precautions and observe good cooking practices. It is required that residents regularly clean the stove drip pans to prevent residue build up that could result in excessive smoke or fire. Housing reserves the right to replace and charge students for drip pans that are excessively dirty and could create a cooking hazard. Residents will be held financially responsible for any building fire alarm activation or related damages resulting from negligence while cooking.

• UL-approved sealed-unit coffee makers and toasters are allowed to be used in the kitchen area. The use of any other cooking appliances are prohibited in all suites including, but not limited to, hot plates, toaster ovens, George Foreman and similar grills, electric fry pans, waffle, sandwich, and quesadilla makers, oil fryers or auxiliary heaters.
**Damages and Vandalism**

Residential students are responsible for any loss/damage to personal property, College property, or property of the MCC Association, Inc.

Anyone causing damages, whether intentionally or by accident must report the incident to their Resident Director. Damages occurring during the academic year will be invoiced to the resident. Vandalism to common area property will be assessed and divided equally among all resident students living in the building. All damage deemed vandalism by the Housing and Residence Life staff will incur a base charge per incident based on building occupancy.

Residential students are responsible for any damage to their bedroom. Any damage to common areas that cannot be attributed to individual resident(s) will be considered the joint responsibility of the residents of the hall or suite. The repair/replacement costs will be charged to the residents by dividing the total cost equally by the number of residents in the hall or suite involved.

Outstanding fees in excess of $200 will result in a hold preventing the resident from adjusting their class schedule. Outstanding fees less than $200 will result in a hold preventing the resident from obtaining a college transcript. Unresolved balances may be referred to a collection agency and residents will be responsible for all associated collection fees.

We recommend that all residents obtain renter’s insurance to protect their belongings in the event of theft or damage. The MCC Association, Inc. will not compensate residents for loss or theft of personal property in the residence halls.

Fire Safety Tips
• Before leaving the room, touch the door to see if it is warm. If the door is warm, DO NOT open it. If possible, put a damp towel along the bottom of the doorway. If the door is not warm, crack the door to see if there is smoke
• If you cannot get out of the room and your room is filled with smoke, put your head out a window to breathe. Wave a towel or other object to let the firefighters know that you are trapped.
• Put a damp towel over your mouth and nose to keep from breathing smoke.
• Crawl or stoop low on the floor to avoid smoke inhalation.
• If you are trapped and there is a phone nearby, call Public Safety.
• Close doors and windows behind you to help prevent the spread of fire. Do not lock the doors.
• Do not use the elevators.
• Call Public Safety to report the fire from a safe location.

**Full Time Status**

Residents must be enrolled full-time each semester to reside in the halls. “Full-time” is defined as twelve (12) credit hours or more that includes hours added during the drop-add period. If a resident falls below the credit hour requirement, they may be removed from the residence halls.

It is strongly recommended that residents enroll for a 15 to 18 credit hour load. This would provide a safeguard so that a resident does not fall below full-time status (12 credit hours), if a schedule is adjusted.

There are a number of ways a resident can drop below full time:

• Drop/Add
• Withdraw
• Faculty member can withdraw a student

A resident should not fall below twelve (12) credits without prior approval of the Director of Housing and Residence Life or his/her designee. Residents are encouraged to respond to all notices regarding registration status. Failure to respond will result in denied or limited access to the residence halls or removal from the residence halls.

**Gender Inclusive Housing**

The Office of Housing and Resident Life at Monroe Community College (MCC) strives to offer every residential student a placement that feels safe, comfortable and supported. Gender Inclusive Housing will be open to all residents, including first year students (who are over the age of 18). Gender Inclusive Housing allows same gender roommates, opposite gender roommates or other gender-identified roommate pairings. This community is designed as an intentional living community affirming the cultural experiences of lesbian, gay, bisexual, transgender, intersex and questioning residents as well as their allies. Residents must self-select the Gender Inclusive Housing option on their housing application; this community will not be forced upon any student.

Gender Inclusive Housing is first come first serve and is limited based on interest. The Housing and Residence Life Office discourages all students in romantic relationships from living together on campus. Additionally, while we do not force students to speak to their parents about their housing options, we strongly encourage students to communicate with their parents so they can fully support the decision to live in Gender Inclusive Housing. Any student requesting Gender Inclusive Housing will be contacted before an assignment is made and may be asked to provide supplemental information. We do reserve the right to change a student’s assignment at any time for any reason.

Gender Inclusive suites are equipped with four single bedrooms and two bathrooms, which are shared by members of the suite. Anyone requesting Gender Inclusive Housing must be able to pay...
for housing at the single room rate. If suitemates are requested as part of the housing application process, all students must select the Gender Inclusive Housing preference. Returning students who select Gender Inclusive housing will be auto-placed into housing with this designation and unable to choose for themselves a building and room.

**Guest/Visitation (Day and Evening)**

A resident’s right to privacy and comfort takes precedence over the community member’s privilege to have guests.

- It is important for suitemates to discuss visitation and to arrive at an agreement acceptable to all roommates in the suite.

A non-resident is defined as any person who is not a designated resident of that suite.

**Non-residents are prohibited from visiting/residing in the residence halls for more than three days within a two-week period.**

Non-residents must possess a valid photo ID (driver’s license, work/college ID) and be signed in at the front desk between the hours of 6:00pm and 6:00am.

- If a non-resident is in a residence hall prior to sign-in hours and stays after sign-in hours begin, the guest and host are expected to return to the sign in desk and sign in.
- Non-residents must be in the presence of the host resident at all times.
- Non-residents may not use a resident’s keys or swipe card.
- The storage of guest/visitor property within the suite is prohibited.

The visitation policy will be *strictly* enforced.

**Any non-resident can be asked to vacate the residence halls** at the discretion of a Resident Director, Public Safety or the Director or Assistant Director of Housing and Residential Life at any time. Failure to vacate the premises upon request may result in the issuance of a persona non grata or trespass warning which prohibits future visits to the residence halls as well as the courtyard area of the residence halls. Failure to abide by this issuance may result in the arrest of the individual and judicial action upon the host.

Non-residents must comply with all college policies and residence hall rules/regulations. Residents that host non-residents are responsible for the non-residents’ behavior. Non-resident, MCC students can be held accountable for their actions through the MCC Code of Conduct. If a non-resident creates a disruption and affects a roommate, suitemate(s), other residents, or the community, they may be asked to leave the halls and the resident may be held accountable for their actions. In cases where a non-resident damages property or violates hall/college policy, the resident host may be subject to student conduct sanctions and/or restitution. This includes items found during searches.

- All non-residents must wait for their host to be signed in. Guests must be escorted at all times and are expected to wait in the front desk area until their host is present.
- Residents will be limited to signing in two (2) non-residents or guests from another building
  - There is a 12-person occupancy limit on 4-person suites.
  - There is a 15-person occupancy limit on 5-person suites.
- All non-residents, including parents and family members, will be required to sign in at the front desk. Any exceptions will be made by the Resident Director on duty.
• Hosts will be required to bring their MCC IDs to the front desk when signing in non-residents.
• All non-residents will be required to present a valid photo ID at the front desk. The ID must be a college ID, driver’s license or other appropriate form of identification.
• All non-residents must be registered at the front desk during desk hours.
• Residents signing in a non-resident as an overnight guest must do so at the time of registration at the front desk.
• Overnight non-residents are permitted, but may not reside in any suite for more than three days in any given two-week period.
• Guests who fail to sign out of the residence halls at the sign-in desk prior to the end of desk operations will be considered an overnight non-resident.
• Guests who stay past 1:00 a.m. will be considered as an overnight guest.
• Any guest or resident entering the residence hall(s) is subject to search by authorized personnel.
• Children under the age of 16 visiting the halls must be accompanied by a parent or guardian and may only visit between the hours of 8:30 a.m. – 8:00 p.m. Any child may be asked to leave the halls at the discretion of a Resident Director, the Director or Assistant Director of Housing and Residence Life or Public Safety at any time. Any exception to this policy may be made by one of the aforementioned parties.

The sign in desks are staffed daily from 6:00 p.m. – 6:00 a.m. Times are subject to change based on staff coverage, however, all guests are still expected to be signed in and sign out.

**Hall Openings/Closings**

The Residence Hall move-in dates for residents is the Sunday before Labor Day for the Fall semester and the day before classes begin for the Spring semester during designated times. Alternate arrangements following the identified check in times will need to be coordinated with the Housing and Residence Life Office. Residents must vacate the halls 24 hours after their last final exam during the fall and spring semesters. **Residents will be charged $25 per half hour after the building closes if they fail to vacate- not to exceed $200.** Any exceptions to this policy must be approved by the Director or Assistant Director of Housing and Residence Life or his/her designee, a minimum of one week in advance.

**Residents must vacate the halls during all college vacation periods.**

When leaving for the vacation periods, residents are responsible for the following:

• All windows and doors must be closed and locked
• All window blinds must be drawn
• Clean the room and suite; empty wastebaskets, remove all perishable food items from refrigerators and rooms and take all trash to designated location
  • There is a $25 fee for each bag of trash that has to be removed from the suite
• All electronic appliances, excluding housing issued refrigerator, microwave and oven, must be unplugged. Personal mini- refrigerators only need to be unplugged during winter break.
• Take all personal items that will be needed during the break period. **Residents will not have access to their room or suite during the break period.**
• Set thermostat in the suite to 65 degrees and set to auto.
• Remove all valuable personal belongings. The MCC Association, Inc. is not responsible for lost or stolen property
A Housing and Residence Life staff member will check each room and suite to ensure that the above guidelines have been followed. All prohibited items will be confiscated.

**Health and Safety Inspections**

The college expects a certain level of cleanliness and a certain level of safety standards to be maintained in the residence halls. It is the responsibility of all residents within a suite to maintain a clean and healthy living environment. To ensure that this standard is met, the Housing and Residence Life staff will conduct:

- Weekly “walk-throughs” to make sure the suites common areas are kept in a safe and sanitary condition; this “walk-through” may include individual bedrooms when it is necessary to visually inspect fire safety equipment
- New York State fire safety inspections of the entire suite, usually once per year

If a problem is noted in the room/suite, residents will be given a verbal/written request to rectify the situation by a specific date. At that time, the room/suite will be re-inspected. Failure to correct a documented problem may result in judicial action.

Excessive damage or a problem that produces an unsafe/unhealthy living condition may result in judicial action including, but not limited to, residence hall probation, professional cleaning charges or the loss of residence hall privileges.

Any fines that are imposed by the New York State fire inspector will be billed directly to the resident(s) responsible for the violation. In the case where the responsible party cannot be identified for a violation within a suite, the amount will be split equally among the members of the suite.

**Keys and IDs**

Residents will be issued one key, which will open the outer door to their suite and their assigned bedroom. It is the resident’s responsibility to carry their keys and MCC Student ID at all times and present IDs when requested by a college official, member of the Housing and Residence Life staff or employee of the Monroe Community College Association, Inc. Residents must report lost/stolen keys to a Resident Director or the Office of Housing and Residence Life immediately. The resident will sign out a temporary key until the lock change is completed. A locksmith will change the locks on the suite door and all bedroom doors in the suite within a reasonable timeframe of the resident reporting the key lost or stolen. In addition, all suitemates will be issued a new key. If a room/suite key is lost/stolen, the entire suite must have a lock change. A lock change fee of $175.00 for will be billed to the resident for immediate payment to Campus Center Service Desk (Building 3 Atrium). There will be no refund once a lock change has been requested.

Lost mailbox keys will be replaced for a fee of $25.00 and will be billed to the resident for immediate payment to Campus Center Service Desk. Failure to return keys at the time of checkout will result in lock change fees. Residents may not allow anyone to borrow their housing issued keys or student ID card. Duplication and unauthorized use or possession of college or residence hall keys is prohibited. Violation of these policies will result in student conduct action.

Residents must use their student ID card to gain access to the residence halls. A lost/stolen/broken ID card may be replaced for a fee of $10.00 through Photo ID located in Building 3 room 139A. Photo ID may be reached at (585) 292-2555. If you have any issues with your student ID, please contact your Resident Director or the Office of Housing and Residence Life for assistance.
**Lock Blocks**

Lock blocks may be placed in all suites and/or unoccupied rooms of suites during break periods. The Department of Housing and Residence Life reserves the right to place lock blocks on resident rooms and/or suites for failed response to official communication attempts by the college or Monroe Community College Association, Inc. personnel or at any other time deemed necessary by the aforementioned parties. A notice will be placed in the student's mailbox to inform the resident(s) of what action needs to take place to regain entry to their room/suite. Attempts to gain access to a suite or room while a lock block is in place may result in damage to the door or lock. All damage will be charge to the responsible party and student conduct action will apply as well.

**Lockouts**

Residents who are locked out should contact an RA. If an RA cannot be contacted, the resident should contact an RD. If an RD cannot be contacted, the resident should contact Public Safety at (585) 292-2912. Student ID must be presented at the time of the lockout. Housing and Residence Life staff members will only let residents into their assigned room. Staff members will not give residents access to other resident’s rooms. Staff will not unlock doors for guests. Upon the assistance for each lockout by a staff member, the resident will be required to verify that they are in possession of their keys. Residents who cannot produce their keys may be charged for a lock change. **Lockout assistance will be completed at the earliest time feasible to the Housing and Residence Life staff or Public Safety.** Leaving room/suite doors unlocked is dangerous and also places all suitemates' belongings at risk.

**Maintenance Problems**

If any Monroe Community College Association, Inc. property in a room/suite needs repair, residents must visit the MCC Housing and Residence Life website at [www.monroec.edu/go/fixit](http://www.monroec.edu/go/fixit) and submit a work order online. Residents failing to report maintenance problems could be held responsible for any resulting damages. All repairs must be done by authorized college personnel only. Any unauthorized repairs may result in judicial action. If the request has not been completed within five (5) working days or if you are unable to log into the website, please notify an RD. For all after-hours maintenance-related emergencies, contact Public Safety from the halls 585-292-2911. All maintenance requests will be addressed as soon as possible; higher priority is given to more severe repairs.

**Mandatory Hall/Floor Meetings**

During the semester, certain floor and hall meetings will be designated as “mandatory” by the Housing and Residence Life staff. Residents must attend mandatory hall/floor meetings with their Resident Assistant and/or Resident Director. Failure to attend these meetings could result in missing out on valuable information and it will be the responsibility of the resident to get the information. Residents will be held accountable for any information disseminated. Many meetings are not mandatory; however, it is highly recommended that residents attend all meetings on their floor and for the hall so that they are aware of all information that is being provided for their benefit.

**Medical Transport Policy**

If you are transported to the hospital for any reason, you are required to follow up with the appropriately recommended office upon your return. Depending upon the severity or nature of the incident, follow up may be required prior to your re-admittance to the residence halls and parents/guardians may be contacted by college or residence life staff. Additionally, conduct sanctions could be assigned for transports that occur as a result of policy violations.

**Quiet Hours**

Residents are members of a community and are expected to act responsibly and not to interfere with the rights, comfort, or safety of their roommates, suitemates or other residents. Excessive noise and disorderly behavior will not be tolerated.

Courtesy hours are in effect 24-hours a day. Residents have the right to ask (with the expectations of compliance) that fellow residents hold noise to a level that he/she will not be able to hear. If a resident does not comply with the request by a fellow resident or staff member, student conduct action may be taken.
In addition to courtesy hours, specific quiet hours are as follows:

- 10:00 p.m. to 9:00 a.m. on Sunday-Thursday nights
- 12:00 a.m. (midnight) to 9:00 a.m. on Friday and Saturday nights

During quiet hours, residents are requested to refrain from congregating in the hallway or lobby areas; loud talking or laughing, pounding, running; playing loud music, radios, television, or musical instruments. Quiet hours pertain to the interior and surrounding areas of the residence halls including, but not limited to, the Quad area and the areas immediately surrounding all residence halls.

During posted final exams periods, quiet hours will be 24-hours a day.

**Residence Hall Check-In/Check-Out Procedures**

Upon occupancy of a room/suite, residents will be required to review a room condition report that has been completed by a Housing and Residence Life staff member. This report should be reviewed thoroughly and accurately with great detail and previous damage items included. Residents will have one week to complete their room condition reports online, using the following steps:

1. Log into Housing Self-Service
2. Scroll over “More Tasks”, select “Room Condition”
3. Review the items listed and their condition
4. Save your response – agree or contest

*Failure to complete this process will forfeit your ability to appeal damage charges.*

Upon check-out of the room/suite, a preliminary check-out will be conducted by a Housing and Residence Life staff member. The preliminary check-out does not serve as the final damage assessment to the room/suite. After the halls are closed, a thorough inspection will be conducted where the current condition of the room/suite will be compared to the original room inspection report filled out when the resident moved into the room/suite. If items are lost, missing, damaged, or not left in good condition, charges will be incurred and they will be deducted from the housing/security deposit. Damages that incur a cost greater than the housing/security deposit amount will be billed to the resident’s account.

To avoid unnecessary charges during check out, be sure to follow all of the guidelines provided by the Housing and Residence Life staff. Residents who improperly check out of the residence halls will forfeit the opportunity to appeal any damages or fees. Upon leaving, the room and suite must be clean and free from all trash and personal items. Any items that are found after keys are turned in will be discarded and a fee will be charged against resident’s security deposit.

Residents must turn their suite and mailbox keys in to a Housing and Residence Life staff member. Residents may also utilize express check-out. Residents will be assessed a fee for keys that are lost or not returned at check-out.

A resident choosing to terminate the housing agreement is required to meet with the Director of Housing and Residence Life or the designee to be advised regarding the financial responsibility.

**Room Changes**

Residents may not change rooms without the prior approval of the Department of Housing and Residence Life. Residents requesting room changes may contact the Department of Housing and Residence Life for more information. Room changes are not allowed during the first two weeks of each semester. Room changes are also not permitted during the last four weeks of the spring semester.
**Room Decorating**

Residents may not damage any surfaces of furniture when decorating their room. The room and furnishings may not be painted or permanently altered in any way. It is important to remember when hanging items on the wall, to use substances that will not damage the wall, i.e., nails, hooks, sticky adhesive, etc. Nails and hooks are not allowed. If the room or furnishings are damaged in any way, the resident will be billed and may be subject to student conduct action.

Additionally, residents may not cover their walls or hang from their ceilings, items such as tapestries, sheets, canopies and fishnets. Window curtains must be manufacturer-made and hung only with a tension rod. Items are not permitted to be hung or placed over light fixtures, sprinkler heads, or smoke detectors. Wall decorations are limited to 20 percent of each wall of the room. Wall decorations cannot cover windows, such as blankets or tapestry and must be at least 18 inches below the ceiling height.

**Products for Hanging Posters**

We recommend the following products for hanging pictures/posters on the wall to avoid excess damage. These items are widely available in the bookstore, or the hardware aisles at Home Depot and Wal-Mart:

- Tacks/Push Pins
- OOK® Picture Hangers and thumbtacks (for hanging items on sheetrock walls)

- Do not use sticker decals, bumper stickers, etc. on any surfaces

**Room Entry**

The Department of Housing and Residence Life reserves the right to authorize personnel to enter into any area of a suite in the absence of the resident. The authorized personnel include, but are not limited to: professional members of the Student Services staff, Resident Assistants, Resident Directors, the Director or Assistant Director of Housing and Residence Life, Public Safety, and repair/maintenance personnel.

Housing and Residence staff will inspect rooms during weekly safety inspections, semester breaks, and other times designated by the Director or Assistant Director of Housing and Residence Life. Please see the Health and Safety Policy for more information.

If it is believed that an immediate danger exists in a bedroom or suite, staff will contact Public Safety for assistance. Examples of these situations include, but are not limited to; fire, possession of chemicals, explosives, weapons, or other items that would cause serious injury. The same procedure is prescribed if the danger involves assault or other acts constituting possible jeopardy to persons or property. Staff or residents may be asked to assist in an emergency situation requiring room entry which threatens immediate harm to the safety of the individuals.

Staff may also enter into a resident’s room to eliminate disruptive noise from electronic equipment which may violate an individual’s right to sleep or study. This includes, but is not limited to, unattended stereos, televisions and alarm clocks.
State and federal laws govern entry of police officers and Public Safety officers into a resident’s room for purposes of investigation. This includes, but is not necessarily limited to, officers in possession of a valid search/arrest warrant, hot pursuit, a safety emergency, or when a police officer/security officer has probable cause to believe a felony is being or has been committed by the individual therein.

Room Furnishings
Each resident room is fully furnished. Mattresses are to be used only on the provided bed frames. All beds must remain free standing on the floor, supported by legs attached to the bed frame. The Housing and Residence Life staff will take inventory during check-in and all items recorded on the inventory form must remain in the room at all times. Residents may be limited in the amount of personal furniture in each room/suite. Damaged or missing furniture will be billed to the resident of the room. To avoid excessive mattress damage, it is strongly recommended that residents bring an extra-long twin mattress pad for their bed. Residents in double rooms may bunk their beds by obtaining the proper equipment from their Resident Director. Room furniture may not be dismantled at any time for any reason and must stay in a resident’s personal bedroom. Common area furniture may not be placed in a resident’s personal bedroom.

Only MCC Association beds and mattresses are permitted. Furniture supplied is known to meet flame spread and smoke retardant requirements. Air mattresses or personally supplied furniture may compromise this requirement.

Sexual Misconduct
Please refer to the College Policy on Title IX and sexual misconduct located on the student services website www.monroecc.edu/go/titleix and elsewhere in this manual.

Smoking
Smoking is not permitted anywhere on campus including the residence halls. This includes cigarettes, cigars, aromatic cigarettes, herbal cigars, hookahs, electronic cigarettes and burning candles or incense. Please refer to the Tobacco Free Policy for additional information as well as sanctions for smoking in the Fire Safety policy.

Solicitation
Solicitation and sales of any service or product door to door in a residence hall or by way of the college telephone or mail system is prohibited. Solicitation and sales by registered student organizations of any service or product in the lobby of a residence hall must have the approval of the Director or Assistant Director of Housing and Residence Life at least one week prior to the planned sale. Commercial sales will not be allowed from individual resident rooms or other areas within the residence halls. Residents may not use residence hall rooms or residence hall telephone numbers as a place of business or for the purposes of solicitation or for any purpose other than as a residence. Advertisement, sale or solicitation of alcoholic beverages is not allowed in the residence halls or resident mailboxes.

Storage
Storage of resident belongings outside of the resident rooms is not provided. Contact the Housing and Residence Life staff for information about off-campus storage solutions. The MCC Association, Inc. assumes no responsibility for loss of personal property on the campus. Residents will not be compensated for loss of personal property in the residence halls during a regular semester, during a summer session, or over a vacation period. Housing and Residence Life staff may dispose of any belongings left by residents who have withdrawn, have been suspended, removed from the residence
halls or who vacate their residence hall rooms for any other reason. Storage of guest/visitor property in a room/suite is prohibited.

**Suite Agreements**

The Housing and Residence Life staff will assist residents with establishing community living standards within their suites by conducting suite agreement meetings as necessary. If it is determined that a suite agreement is needed, residents are required to attend the agreement meeting and participate. Failure to comply with the agreement or reasonable request to create one may result in further documentation and a possible conduct violation.

**Tobacco Free Policy**

Monroe Community College (MCC) supports a healthy, sustainable environment for the college community and is committed to preparing our students for increasingly tobacco-free workplaces. Therefore, tobacco use is prohibited on all college owned and leased property, both indoors and outdoors. This includes but is not limited to:

- All buildings on the Brighton and Damon campuses, Applied Technologies Center and Public Safety Training Center.
- Off-site and leased locations such as the Economic Development & Innovative Workforce Services facility.
- Outside property owned and leased by the college including open land areas, woods, fields, patios, parking lots, sidewalks, roads, loading docks and building entrances.
- All vehicles owned and leased by Monroe Community College or its affiliated organizations.
- College-sponsored events at all locations.

All tobacco products in use must be properly disposed of prior to entering any college property or exiting a personal vehicle. The College requires college community members to respect private property bordering all College locations by refraining from trespassing for purposes of tobacco product consumption. The sale, free distribution, related advertising or sponsorship of tobacco products is also prohibited on college property.

**Windows/Window Blinds**

Entering or exiting the residence halls through a window, dropping/throwing objects from windows, leaning out of windows, or placing property on a window sill or building ledge is prohibited. Screens may not be removed from the windows. A fine will be assessed for all missing, removed or damaged screens, as well as for individuals who attempt to enter or exit a suite or building through a window for unapproved purposes.

All rooms/suites are furnished with window blinds. The blinds furnished to each room must remain installed at all times. Tension rod with manufactured curtains is permitted. All other curtains that require drilling, nails or screws are not permitted; bed sheets, tapestries, or other large coverings are not permitted.

**Residence Hall Student Conduct Regulations**

**Student Conduct Process and Procedures**

The residence hall student conduct process is designed to enforce college policy and residence hall regulations while maintaining educational principles. Community living requires standards of conduct, cooperation, negotiation, and respect for all community members, including students and staff. The student conduct process functions cooperatively with the Vice President for Student Services Office,
the MCC Department of Public Safety, and local police and emergency response agencies. A resident may be referred to the Office of the Vice President for Student Services for an alleged policy violation, however, the Resident Directors, Assistant Director of Housing and the Director of Housing are each Code of Conduct Officials and are able to assign college and residence hall sanctions. Residents should refer to the MCC Student Code of Conduct, https://www.monroecc.edu/go/conduct as well as the Housing Codes of Conduct for more information. Students upon application to live in the residence halls sign a housing license that stipulates individual resident student responsibilities. The rules and regulations apply to all residents and their guests/visitors as part of this license.

NOTE: Students will be notified via the MCC email system of all scheduled student conduct matters (hearings, decisions, appeals and etc.). It is the responsibility of each student to check their student email in a timely manner when involved in a student conduct incident. If a student is unable to access their email or has a problem viewing any correspondence, it is their responsibility to seek the assistance of a student conduct officer or Housing staff member. Failure to check a student email account is not a sufficient reason for appeal.

**Code of Conduct Officials**

**Resident Directors:** Resident Directors are judicial officers that adjudicate all but the most serious of residence hall incidents. Resident Directors are empowered to determine responsibility and assign college sanctions.

**Assistant Director, Office of Housing and Residence Life:** The Assistant Director for Housing and Residence Life or designee(s) adjudicates incidents in which high level sanctions (i.e. residence hall removal) and college sanctions may be imposed.

**Director, Office of Housing and Residence Life:** The Director for Housing and Residence Life or designee(s) hears appeals of the Housing and Residence Life Judicial Board decisions and adjudicates incidents in which high level sanctions (i.e. residence hall removal) and college sanctions may be imposed.

**Housing and Residence Life Judicial Board:** The Judicial Board may be convened at the request of an accused student. The Judicial Board can determine responsibility for any level case and assign both college and housing sanctions.

**Student Rights and Responsibilities Office:** The Student Rights and Responsibilities Office adjudicates the most serious of residence hall incidents, where high level college sanctions (i.e. college suspension) may be imposed. The Student Rights and Responsibilities Office, in addition to the Assistant Director and Director of Housing, may impose sanctions for the residence halls and the college.

**Judicial Proceedings**

The disciplinary process is initiated once a complaint is filed against a student by a member of the College community or by the Code of Conduct Official (CCO). This policy is not intended to prevent members of the College community from attempting to resolve matters informally. Failure to cooperate with the College’s investigation of an alleged Student Code of Conduct violation will result in the student forfeiting his/her rights to a hearing or appeal and/or may result in disciplinary action.

1. Disciplinary Process
   a. All complaints under the Student Code of Conduct shall be filed with or by the CCO.
b. When the CCO files or receives a complaint alleging that a student has acted in a manner which may be in violation of the Student Code of Conduct, the CCO initiates the disciplinary process by meeting with the accused student, putting him/her on notice of the alleged violation, and providing him/her with an opportunity to respond to the allegations. The CCO may conduct further investigation, if necessary.

i. If the CCO determines that a violation exists, three procedural options are available:

1) Verbal or written warning: For low-level offenses, the CCO may issue a verbal or written warning to the accused student. Warnings shall not be subject to a hearing before a Judicial Board or an appeal.

2) Administrative Disposition: The Accused Student and the CCO mutually agree upon a disciplinary remedy. By accepting the administrative disposition, the Accused Student waives his/her right to both a hearing before the College Judicial Board and an appeal. In addition, the Accused Student waives all other requirements related to Judicial Board hearing.

   (a) Judicial Board hearing: When an administrative disposition cannot be reached, the CCO shall refer the alleged violation to the Judicial Board for a hearing. Refer to the section below regarding Judicial Board rules and procedures.

NOTE: Failure to cooperate with the College’s investigation of an alleged Student Code of Conduct violation, which includes appearing before a Judicial Board or College official if summoned to do so, will result in the student forfeiting his/her rights to a hearing or appeal and/or may result in disciplinary action.

2. Judicial Board Hearing

The College Judicial Board* is the primary fact-finding and decision-making body in the College conduct system. The Judicial Board shall consist of a chair, four students, four representatives from the Faculty Association, and two representatives from the Civil Service Employee Association. A representative from the Office of Student Rights and Responsibilities serves as the advisor to the Board. All appointees to the College Judicial Board shall be approved by the President.

The College Judicial Board*, acting through a panel of at least six members (five members, including at least one student, plus the chair presiding), hears and decides cases involving alleged violations of College policy. The chair votes only in the case of a tie. Decisions of the College Judicial Board are final, except as outlined in the appeal procedure (see Appeal for Disciplinary Sanctions, page 25 of the MCC Student Handbook).

a. A hearing with the College Judicial Board shall be scheduled by the CCO not later than thirty (30) days following an accused student’s request for a hearing.

b. A written statement of charges shall be presented to the accused student no less than five (5) days prior to a hearing. A hearing will not be scheduled less than five (5) days after a student receives the written notification of charges. In the case of summary suspension, a student is immediately provided with written notification of charges and a College Judicial Board hearing will be scheduled within five (5) days.

c. A College Judicial Board hearing is an administrative hearing. Though the rules of evidence do not apply, preponderance of the evidence (what’s more likely than not) is the standard used in the judicial process.

d. In a matter involving more than one accused student, the Judicial Board may permit, at its discretion, an individual hearing for each Accused Student.
e. The Accused Student has the right to be accompanied by any advisor of his/her own choosing and at his/her own expense. The advisor may be an attorney. An advisor’s role is limited to advising the Accused Student directly. An advisor is not permitted to participate directly in the hearing.

*If a student is participating in a Housing Judicial Board, the panel shall consist of a Chair and at least 3 members, one of whom must be a student.

3. Conduct of the Hearing
   a. A hearing is normally conducted in private.
   b. There shall be a record created of all hearings. The record shall be the property of the College.
   c. All procedural questions are subject to the final decision of the College Judicial Board.
   d. Admission of any person(s) into the hearing shall be at the discretion of the College Judicial Board.
   e. A hearing shall proceed as follows:
      i. The CCO presents the statement of charges on behalf of the College. The CCO may present documents, materials, and/or witnesses in support of the statement of charges.
      ii. The Accused Student responds to the statement of charges. The student may present documents, materials, and/or witnesses in response to the statement of charges.
      iii. Following the parties’ presentations, the College Judicial Board may question each party, their witnesses, and/or review all information presented. The College Judicial Board has the discretion to request additional documents, materials, or information from either party.
      iv. While direct cross-examination by the parties is not permitted, each party will be given the opportunity to question the other by presenting questions through the Judicial Board. If the Board determines a question is relevant, the other party will be asked to respond.
      v. The College Judicial Board shall have the final opportunity to question the parties.
      vi. The College Judicial Board shall determine, by majority vote, whether the statement of charges has been proven.
      vii. The CCO and the Accused Student will be provided an opportunity to recommend appropriate sanctions to the College Judicial Board if it is determined that he/she is in violation of policy.
      viii. The College Judicial Board shall determine, by majority vote, what the sanctions will be. The sanctions are shared at the hearing with the student.
         1) In reaching its decision, the Judicial Board shall determine whether it is more likely than not that the Accused Student violated the Student Code of Conduct, based on the information presented.
         2) Within five (5) days of the conclusion of a hearing, the College Judicial Board shall issue a written decision outlining its findings and disciplinary action, if any, to the parties.

4. Disciplinary Sanctions
   Any student who engages in any prohibited act or conduct may be subject to one of the following sanctions. The degree of violation and matters of extenuating circumstances shall be taken into account, along with all relevant circumstances, in determining the appropriate sanction. A sanction need not be imposed in every case, and no sanction shall be imposed more serious than is clearly appropriate in the circumstances. The sanctions that may be imposed by a conduct officer or hearing board are as follows:

   a. Verbal Reprimand: This action is a formal admonition on behalf of the College community and is intended to clearly document, in a student’s disciplinary file, that his/her behavior has been deemed unacceptable. Reprimands typically do not include additional sanctions, but may.
b. Written Warning: This action is a written statement on behalf of the College community and is intended to clearly document, in a student’s disciplinary file, that his/her behavior has been deemed unacceptable and that repetition or additional wrongful conduct would be followed by more severe disciplinary action. A written warning may include additional sanctions.

c. Disciplinary Probation: This action constitutes a change in status between good standing, and suspension or expulsion from the College. It denotes a period of time during which the student must demonstrate behavior that aligns with the mission, values, and policies of the College. The student is permitted to remain enrolled at the College under certain stated conditions, depending upon the nature of the violation.

d. Fines: This action may be imposed when necessary.

e. Restitution: This action typically results from disciplinary violations involving theft and/or damage to College property.

f. Discretionary Sanctions: This action typically occurs in conjunction with a verbal reprimand or disciplinary probation. Sanctions include but are not limited to: essays, work assignments, apology letters, or service to the College, or other related discretionary assignments may be imposed.

g. Suspension: This action results in the involuntary withdrawal of the student from the College for a specific amount of time or until specific conditions have been met. Please note that the college has a Transcript Notation Policy, which may apply for violent or Clery reportable violations that result in suspension. To review this policy, please refer to the Regulations and Policies section of the current college catalog.

h. Summary Suspension: This action results in the immediate removal of a student from the college, including the Residence Halls, until a conduct hearing can take place. If a student is summarily suspended, immediate written notice of charges is provided and a Judicial Board hearing is scheduled within five (5) business days. During this time, a student may not be permitted to be on campus for any reason without notifying Public Safety.

i. Expulsion: This action results in termination of student status at the College for an indefinite period of time. Please note that the college has a Transcript Notation Policy, which may apply for violent or Clery reportable violations that result in expulsion. To review this policy, please refer to the Regulations and Policies section of the current college catalog.

j. Loss of Privileges for Clubs or Organizations: In addition to the above sanctions, clubs or organizations may suffer loss of all or selected rights and privileges for a period of time or indefinitely.

k. Interim Sanctions: This action results in directives that are in place through the judicial process. A student may be placed on a warning/probationary status, temporarily relocated or removed from the residence halls, unable to attend one class, referred to counseling, etc., while an investigation and Judicial Board hearing are taking place.

5. Appeal for Disciplinary Sanctions

Any student found responsible for a violation of the conduct regulations by the College Judicial Board may appeal the decision to the Vice President of Student Services. Such appeal must be made in writing to the Vice President of Student Services within 72 hours of effective notice. For just cause, the Vice President of Student Services may waive the 72-hour requirement.

a. The written appeal must contain the reason for the appeal. Appeals must meet one of three criteria:

   i. New evidence exists, which was not presented at the hearing because it was not reasonably known to the accused student at that time, and which is sufficiently relevant such that it could alter the College Judicial Board’s decision.
ii. The College’s failure to follow its own processes and procedures.
iii. The sanction imposed was not appropriate in light of the evidence presented and the College Judicial Board’s decision.

b. The appeals officer may accept, reject, or modify the College Judicial Board’s decision or sanction.
c. The appeals officer’s decision is final.

6. Interpretation

For judicial proceedings involving Monroe Community College sanctions, any question of interpretation or application of the conduct regulations shall be referred to the Vice President of Student Services, or his/her designee, for a final determination. For judicial proceedings in regards to Housing codes and policies, any question of interpretation or application of the conduct regulations shall be referred to the Director of Housing and Residence Life, or his/her designee, for a final determination.
