Frequently Asked Questions:

What is this place?

The Center for Outreach and Volunteer Engagement, or COVE, is a brand new arm of the Office of Student Life and Leadership Development here at MCC. The focus is to connect students and community partners by highlighting and providing service opportunities in the Rochester, NY and surrounding areas. The COVE is also home to DWIGHT (Doing What is Good and Healthy Together) which is MCC's food pantry initiative.

How can I get involved?

There are many ways to get involved with The COVE. Are you interested in donating some time to a local animal shelter? Do you need to pick up 10 hours of community service for a class? Would you like to volunteer in COVE or right here on campus? If you have a heart for service and just need some help finding an opportunity, we can assist!
