Monroe Community College Advisement and Transfer Services

TRADITIONAL NURSING PROGRAMS

Highlighted colleges and universities are members of the Rochester Area Colleges (RAC) consortium.

The Bachelor of Science in Nursing programs listed below are for students enrolled in a non-nursing (i.e. Liberal Arts or Health Studies) curriculum at MCC. The clinical part of the nursing major would be taken at the 4 year college. Additional core curriculum courses (as per the 4 year college) are recommended to take at MCC. St. John Fisher and Roberts Wesleyan also offer 2+2 programs for nursing with MCC. Contact the Advisement and Transfer Services office or the 4 year college for course recommendations and/or details about the 2+2 program(s).

Typical Prerequisites:

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>BIO 144</td>
<td>Anatomy &amp; Physiology I</td>
</tr>
<tr>
<td>BIO 145</td>
<td>Anatomy &amp; Physiology II</td>
</tr>
<tr>
<td>BIO 202</td>
<td>Microbiology</td>
</tr>
<tr>
<td>BIO 217</td>
<td>Nutrition</td>
</tr>
<tr>
<td>CHE 124</td>
<td>General, Organic &amp; Biochemistry</td>
</tr>
<tr>
<td>MTH 160</td>
<td>Statistics</td>
</tr>
<tr>
<td>PSY 212</td>
<td>Dev Psychology, Lifespan</td>
</tr>
<tr>
<td>PHL 103</td>
<td>Intro to Ethics</td>
</tr>
</tbody>
</table>

NAZARETH COLLEGE

Students should complete all prerequisites (including PSY 101) with a grade of B or higher with no repeats. Nazareth will accept CHE 124 or 151 for the chemistry requirement. Nutrition courses (BIO 117 or 217) are not required. Deadline dates: Applicants need to apply by March 1st for fall admission or October 1st for spring admission. Students complete a single application with direct admission to the program.

Contact: Lynne Van Zandt, Associate Director of Transfer Admissions, 585-389-2055

ROBERTS WESLEYAN COLLEGE

Roberts’ Nursing program is a Direct Entry Program. Students looking to transfer for Nursing will need a minimum 3.0 GPA in three specific areas: Cumulative GPA, Science courses, and Nursing courses (which only includes Nutrition - BIO 217). Students meeting the minimum GPA requirements can transfer to Roberts before completing all of the prerequisite courses, however all prerequisites will need to be completed before continuing into Junior level clinicals. Students must complete all courses listed above with a grade of C or higher, however achieving A's and B's in these courses will bring you to the desired 3.0 or higher GPA requirement. Traditional applicants are encouraged to apply by February 1st for fall admission or October 1st for spring admission. For additional information refer to website.

Contact: Admissions@roberts.edu

ST. JOHN FISHER COLLEGE

Cumulative GPA (CGPA) of 2.4 or higher for all prerequisites listed above, on all attempts. Students must complete nursing prerequisites with a grade of C or higher. Fisher will accept BIO 117 or 217 for nutrition; CHE 124 or 151 for chemistry. Upon acceptance to the College, students must then apply to the Wegmans School of Nursing for admission to the junior clinical year by March 1 for fall admission (September start) or July 1 for spring admission (January start).

Applicants must meet the minimum requirements below to be considered for entry into the junior clinical year:

Cumulative GPA (CGPA) of 2.4 or higher for all prerequisites listed above, on all attempts. Students must complete nursing prerequisites with a grade of C or higher. Fisher will accept BIO 117 or 217 for nutrition; CHE 124 or 151 for chemistry. Upon acceptance to the College, students must then apply to the Wegmans School of Nursing for admission to the junior clinical year by March 1 for fall admission (September start) or July 1 for spring admission (January start).

Applicants must meet the minimum requirements below to be considered for entry into the junior clinical year:

- CGPA of 2.75 from all previously attended colleges. Preference may be given to those who achieve a GPA of 3.0 or higher.
- Prerequisite GPA of at least 2.4 (including all attempts). Grades below “C” cannot be accepted toward
completion of prerequisite courses.

- Score 84% or higher on the Math Assessment Level A exam (to be taken at St. John Fisher).

THE COLLEGE AT BROCKPORT (SUNY)

Important: Transfer students must have a minimum GPA of 3.0 on all coursework to be considered for admission to the College as a nursing intent major. Transfer students must complete 15 grade bearing credits at Brockport before applying to the nursing program. Fall entry only. Prerequisites can be completed at MCC, Brockport, or a combination. Recommend completing Chemistry before transferring. Brockport will accept BIO 202 or 209; CHE 124 or 151. SOC 101 also required. Contact: traditional_bsn@brockport.edu, 585-395-2355

Accelerated Bachelor’s Program for Non-Nurses

Students who have completed both a non-nursing Bachelor's degree and nursing program prerequisites may consider an Accelerated Bachelor’s Program for Non-Nurses. Local program options include:

University of Rochester: Admission requirements include: Bachelor’s Degree in a non-nursing field, CGPA of 3.0 preferred, Grade of C or above in pre-requisite courses: BIO 144 & 145, BIO 202, BIO 217, MTH 160, and PSY 212. This is a full-time, one calendar year program (with a January, May or September start) that includes 49 credits of generalist nursing coursework and clinical training in med-surg, obstetrics, pediatrics and psychiatry, making graduates eligible to take the Professional Registered Nurse licensing exam (NCLEX).

Contact: son-info@urmc.rochester.edu

The College at Brockport: For students who have completed both a previous non-nursing Bachelor's degree and the nursing program prerequisites. Students who have a Bachelor's degree from an institution other than The College at Brockport should complete the SUNY application. All applicants must also complete the secondary application to the Department of Nursing, including a professional statement. Contact: kbingham@brockport.edu, 585-395-8005

Associate in Applied Science (A.A.S.) Nursing Programs

Monroe Community College
Acceptance is highly competitive, and the program generates more applications than can be accommodated. It is strongly recommended that students complete additional coursework required for the degree prior to applying for this program. Refer to the MCC Health professions website to review the selection criteria, deadlines, residency requirements, prerequisites, and commonly asked questions about admission.

Finger Lakes Community College
Prerequisites:
- Biology (Regents recommended)
- High school Algebra with 1 unit earned or college level equivalent
- High school Chemistry with 1 unit earned or college level equivalent
- TEAS exam scores are required
- Applicants must have a C grade or higher in Anatomy and Physiology I & II in order to be eligible for admission
- Traditional program is fall entry only; deadline date is February 1
- Spring entry available for LPNs only (accelerated program)
For additional information visit the FLCC Admissions website.
Contact: Admissions, 585-785-1279

Alfred State College
Prerequisites:
- Strong background from high school in Algebra, Chemistry, Biology or equivalent (MTH 098, CHE 100, BIO 132 & 133
with a C or better)
• Please note that A&P I & II will only transfer if the student has earned a C+ or better in each course with both taken from the same college, and must have an in person lab portion.
Alfred State College also has an RN to BS in Nursing program that is fully online. Students who complete their A.A.S. in Nursing may choose to continue to earn their BS in Nursing at Alfred State College.
Contact: KathyAnn Sager, Sagerk@alfredstate.edu

Genesee Community College
GCC admits students to the Nursing Program during both fall and spring semesters and acceptance is competitive. Admission Requirements – Policies and Procedures for the program can be found on their website. All application and academic requirements are outlined in these policies. Answers to frequently asked questions, information about upcoming information sessions, and other pertinent information is also available at the link provided.
Nursing Program Information Sessions are held regularly and attendance at one is required in order to be considered for the program.
There is also an Advance Placement LPN to RN Nursing Program that admits fall and spring semesters.
