November: Monday 11/12 and 11/24, 11am-1pm

Located in Health Services, Brighton, 3-165

- No Appointment Needed
- Testing by JordanHealth
- Confidential results in 20 minutes

Screenings for Chlamydia and Gonorrhea, the most common sexually transmitted infections, are available in Health Services Monday through Friday at no charge, through a partnership with the Monroe County Department of Health. Call 585-292-2018 for an appointment or stop in. Condoms and other barriers are always available free of charge in the office as well, through the NYS Department of Health.
