

Introducing **SPINAS**

Scholarship Program for Indigenous & Native American Students

Attention Native American and Alaskan Native Students who are pursuing an education at MCC:

We are aware that Native Americans and Native Alaskans have been historically under-represented in the halls of higher education. Today, there is a national imperative to encourage and support all minorities, including Native Americans and Native Alaskans, to pursue a college education. We invite you to learn more about the SPINAS scholarship program by attending one of three presentations listed below.
