CLINTON GLOBAL INITIATIVE UNIVERSITY

2021 PROGRAM & ANNUAL MEETING

PRESENTED VIRTUALLY

Are you passionate about making a difference?

Are you motivated to take action?

Are you eager to connect with like-valued students?

Founded by President Bill Clinton, the Clinton Global Initiative University (CGI U) supports college students across the world who have committed to take action and tackle the world's most pressing challenges in education, environment & climate change, peace & human rights, poverty alleviation, and public health.

CGI U is now accepting applications to join its Class of 2021. Students apply with a Commitment to Action: a new, specific, and measurable initiative that addresses an issue on their college campus, in their local community, or globally. These commitments can be in the ideation, implementation, or scaling phases.

Accepted students will have access to:

- A rigorous social impact curriculum
- High-touch mentorship
- Seed funding opportunities
- Engagement events, including the 13th annual virtual meeting with Howard University

Apply for CGI U 2021 by January 15, 2021 at: cgiu.org/apply
