

Rochester AmeriCorps Member Service Placements

Rochester AmeriCorps members are placed at educational institutions and programs where they contribute to the improvement of the academic and social emotional engagement of our community's youth. Members provide services including enrichment activities, skills building, and affinity-based programming that support academic success and educational attainment.

PRIMARY SCHOOL PLACEMENTS WITHIN THE ROCHESTER CITY SCHOOL DISTRICT

- Provide consistent one-on-one academic and social supports
- Provide classroom support and assistance
- Contribute to the development and implementation of before and after-school programming and activities
- Strengthen and sustain community collaborations and outreach efforts

SECONDARY SCHOOL PLACEMENTS WITHIN THE ROCHESTER CITY SCHOOL DISTRICT

- Contribute to the design and implementation of affinity-based programming such as arts, music, and sports
- Provide instructional support, tutoring, and advising in one-on-one and group settings
- Build healthy, positive relationships with and among students, staff, and administrators
- Connect students to school-based and community programs and resources

These are examples of the sites where we will be placing members for the 2018 - 2019 term of service.

Schedules depend on the site assignment and sites can vary from year to year.
