Rocking the Trades Series: Women in Information Technology

Find a career path that's right for you.

Are you curious about jobs in skilled trades? Do you want to learn more about working in an Information Technology field like A.I. or Cybersecurity? Join the conversation about women in the I.T. industry!

Rocking the Trades Series: Women in I.T. will meet virtually on Wednesday, March 22nd, from 12:00pm to 1:00pm. Guest speakers will share their experiences in the trades, and explain how to find a trades career that is a good fit for you.

All are welcome to attend this event.

Date: Wednesday, March 22nd, 2023
Time: 12:00 noon to 1:00 p.m.
Location: Zoom
Panelist Speakers:

- **Mary Carol Chruscicki**, Executive Director, Central New York Defense Alliance & Chief Technology Officer
- **Kaiyan Yu**, Assistant Professor, Director of Automated Control Systems and Robotics (ACSR) Lab at Binghamton University;
- **Yidan Hu**, Assistant Professor in the Department of Computing Security at RIT
- **Krithika Krishnan**, PhD candidate in Computational & Data-Enabled Science and Engineering

RSVP to Meka Martinez: mmartinez68@monroecc.edu or 585-685-6333 for the zoom link.
