

LEAD Certificate Recipients

LEADERSHIP EDUCATION AND DEVELOPMENT (LEAD) CERTIFICATE

The primary purpose of the MCC Leadership Education and Development program is to foster student learning and personal development. With the creation of powerful learning environments, students are offered experiential learning opportunities that will allow them to apply knowledge obtained in the classroom, develop leadership skills and reflect on their learning experiences and desired outcomes. The Leadership Certificate program is designed to help student enhance and explore leadership potential through a series of workshops, courses and community service opportunities.
