Executive Summary of Feedback
Received from the Policy Portal to the
Password Policy

- One respondent suggested the word Applicability was misspelled.

  Administrative Response: The word is spelled correctly in the document.

- Revised language was proposed to more accurately describe the process for a user to get their account unlocked.

  Administrative Response: The language has been updated as suggested.

- A respondent suggested allowing blank characters in passwords so that passphrases can be used.

  Administrative Response: The policy no longer specifies detailed password standards. However, blanks are allowed in MCC passwords.
