

## TRIBUNE TRIBUTE RECIPEINTS

### **Andrea Gilbert** Instructional Technologies

Andrea is recognized for her contributions to online teaching and learning, and for her dedicated service.

“Andrea has helped me, and countless others, to not just think how to make our on-line courses tech savvy, but also how to improve our teaching methods and pedagogy using that technology. She is always ready to meet one-on-one and even answers emails on the weekend!”

### **Lyn MacGregor** ESOL/Transitional Studies

Lyn is appreciated for her service to students and her commitment to student success.

“Lyn has constantly gone above and beyond by assisting with complicated matters. At the beginning of this semester, she worked with dozens of students to find them new classes after their sections had been cancelled. This is a meticulous process and she does it with precision, accuracy and in such a way as to always preserve the comfort and dignity of the students.”
