

Monroe Community College
STATE UNIVERSITY OF NEW YORK

ATC Hosted Information Session for Undecided Students! (LA04)

**Join us on October 13, to learn
more about programs that
prepare you for in-demand jobs!**

Programs at MCC's Applied Technologies Center provide students with practical, hands-on training, that can lead to a certificate or associates degree in Automotive Technology, Heating, Ventilation & Air Conditioning (HVAC), Solar Thermal Technology, or Precision Tooling & Machining.

Wednesday, October 13

12:00PM - 1:00PM

Zoom:
