

NAVIGATING TUTOR OCEAN

12-1245pm and 5-545pm, April 22

Facilitated by Charles Baldwin

This Zoom workshop is intended for those who are new to Tutor Ocean but also those already using the platform. The first half of the workshop walks through using Tutor Ocean, focusing on getting the most out of the platform and providing the optimal experience for students. The second half of the workshop focuses on sharing tips and hacks - the Tutoring Center will gather and make available an evolving working document of best practices and lessons learned.

TRANSITIONING FROM THE LIVE TO THE VIRTUAL CLASSROOM

1-145pm, April 23

Facilitated by Nora Henry

A Zoom Workshop for students who want practical and logistical tips for adjusting to the online classroom, while learning how to utilize all of MCC's available online resources. There will also be personal tips provided for staying engaged and motivated in classes while studying from home. Come join us!
