

*"You could say we are puppets.
But I believe that we are puppets
with perception, with awareness.
Sometimes we can see the strings.
And perhaps our awareness is the
first step in our liberation."*

– Stanley Milgram

EXPERIMENTER: THE STANLEY MILGRAM STORY

Written and directed by Michael Almereyda and produced in 2015, this film is based on the true story of famed social psychologist Stanley Milgram, who in 1961 conducted a series of radical behavior experiments at Yale University that tested the willingness of ordinary humans to obey an authority figure while administering electric shocks to strangers.
