

Women Rocking the Trades.

Find a career path that's right for you.

Come join in the conversation about careers in technical fields such as: skilled trades, optical technology, apprenticeships, precision tooling and machining, and others!

Industry experts will attend to talk about local career opportunities, sustainable jobs within these growing fields, and to answer any job-related questions you may have.

A free lunch will be served. All are welcome to attend this event!

RSVP to Shameka Martinez: smartinez016@monroecc.edu or 685-6333.

Dates: Tuesday, March 24 and Monday, April 27

Time: 12:00 noon – 1:00 p.m.

Location: MCC Brighton Campus, Empire Room, 3-209
1000 East Henrietta Road
Rochester, NY 14623

Monroe Community College
