

VOTING RIGHTS AND VOTER SUPPRESSION

THE HISTORY OF THE RIGHT TO VOTE IN THE U.S. AND THE EFFORTS TO UNDERMINE IT

*Presented by: Professors Lou Andolino, Nayda Pares-Kane, and Joseph Scanlon
from the Anthropology/Sociology/History/Political Science Department*

We welcome everyone to join us for a thought-provoking discussion on the history of voting in the United States, your voting rights and what is happening today to undermine, and lessen the importance of the people's voice at the voting box. It is important for all (students, faculty, staff, republican, democrat, and independent) to be heard and to be well-informed.
