Join the Center for Holocaust Awareness and Information (CHAI)  
for a virtual discussion with the director and producer  
of *The Starfish* as we commemorate  
**INTERNATIONAL HOLOCAUST REMEMBRANCE DAY.**

*The Starfish* is the true story of a German-Jewish boy whose life was forever altered at the age of 10, when his parents sent him and his two older sisters to live with non-Jewish families in Sweden to escape Nazi persecution. After living in Sweden for two years, Herb Gildin and his sisters journeyed across Russia and the Pacific to be

reunited with their parents as refugees in America. Focused on building his lighting business rather than dwelling on the past, decades went by before Herb told his wife and children about his childhood, resulting in one last journey back to Sweden to attempt to reunite with the remaining family members who had taken him in 60 years earlier.

**Join us on Thursday, January 27 at 7:00pm for a virtual film discussion with Tyler Gildin, grandson of Herb Gildin and director and producer of *The Starfish*.**

***The Starfish* is available to stream January 23-27, 2022.**

This event is free and open to the public but you must register in advance.  
(A confirmation email will be sent to you in advance to access the film and Zoom discussion)
